Executive Order EO2022-003

June 9, 2022

Re: Re-instituting facial masking in City facilities due to current COVID-19 Community Levels

In accordance with guidance from the Centers for Disease Control and Prevention (CDC), and in response to the current classification of Cuyahoga County as “community level high” in the CDC’s COVID-19 Community Levels system, I am hereby reinstating the requirement that employees and visitors wear masks while in City Hall and other city facilities, effective as of Monday, June 13, 2022.

Appropriate masking requires cloth or other fabric that covers the individual’s nose, mouth, and chin. Employees must wear masks inside city facilities unless they are working alone in a work area isolated from other employees and visitors.

I urge all employees that can get vaccinated against COVID-19 to do so in order to reduce the spread of COVID-19 and severity of infection.

Mayor Kahlil Seren
City of Cleveland Heights
