ORDINANCE NO. 058-2023(F), *First Reading*

By: Mayor Seren

An Ordinance amending Section 177.02, "Current Funds", of Chapter 177 – Accounting Funds - Part One, *Administrative Code*, of the Codified Ordinances of the City of Cleveland Heights to establish a "NOPEC Fund" within the Special Revenue Funds; and declaring the necessity that this legislation become immediately effective as an emergency measure.

WHEREAS, it is necessary to create a special revenue fund to receive and expend grant monies received from the Northeast Ohio Public Energy Council ("NOPEC").

BE IT ORDAINED by the Council of the City of Cleveland Heights, Ohio, that:

SECTION 1. Section 177.02, "Current Funds", of Chapter 177 – Accounting Funds - Part One, *Administrative Code*, of the Codified Ordinances of the City of Cleveland Heights is hereby amended to provide for the establishment of a NOPEC Fund, which fund shall be in addition to those funds now listed in said section and shall be established and used to receive and expend grant funds the City receives from NOPEC.

SECTION 2. Notice of the passage of this Ordinance shall be given by publishing the title and abstract of its contents, prepared by the Director of Law, once in one newspaper of general circulation in the City of Cleveland Heights.

SECTION 3. It is necessary that this Ordinance become immediately effective as an emergency measure for the preservation of the public peace, health and safety of the inhabitants of the City of Cleveland Heights, such emergency being the need to comply with state law. Wherefore, provided it receives the affirmative vote of five (5) or more of the members elected or appointed to this Council, this Ordinance shall take effect and be in force immediately upon its passage; otherwise, it shall take effect and be in force from and after the earliest time allowed by law.

ORDINANCE NO. 059-2023(MSES), *Second Reading*

By: Mayor Seren

An Ordinance authorizing the Mayor to take all actions necessary to apply for and accept one or more Northeast Ohio Public Energy Council (NOPEC) 2023 Energized Community Grants; and declaring the necessity that this legislation become immediately effective as an emergency measure.

WHEREAS, the City of Cleveland Heights, Ohio (the "CITY") is a member of the Northeast Ohio Public Energy Council ("NOPEC") and is eligible for one or more NOPEC Energized Community Grant(s) for 2023 ("NEC Grant(s)") as provided for in the NEC Grant Program guidelines; and

WHEREAS, it would be in the best interested of the CITY and its residents to enter into an agreement with NOPEC, Inc. upon terms substantially similar to those contained in the draft agreement on file with the Clerk of Council to receive one or more NEC Grant(s).

BE IT ORDAINED by the Council of the City of Cleveland Heights, Ohio, that:

SECTION 1. This Council of the CITY of Cleveland Heights (the "Council) finds and determines that it is in the best interest of the CITY to enter into a Grant Agreement with NOPEC to accept any available NEC Grant funds for 2023, and authorizes the Mayor to apply for and execute a Grant Agreement to accept all NEC Grant funds awarded.

SECTION 2. This Council finds and determines that all formal actions of this Council concerning and relating to the adoption of this Ordinance were taken in an open meeting of this Council and that all deliberations of this Council and any committees that resulted in those formal actions were in meetings open to the public in compliance with the law.

SECTION 3. Notice of the passage of this Ordinance shall be given by publishing the title and abstract of its contents, prepared by the Director of Law, once in one newspaper of general circulation in the City of Cleveland Heights.

SECTION 4. It is necessary that this Ordinance become immediately effective as an emergency measure for the preservation of the public peace, health and safety of the inhabitants of the City of Cleveland Heights, such emergency being meeting the grant deadlines. Wherefore, provided it receives the affirmative vote of five (5) or more of the members elected or appointed to this Council, this Ordinance shall take effect and be in force immediately upon its passage; otherwise, it shall take effect and be in force from

ORDINANCE NO. 060-2023(PD), *First Reading*

By Mayor Seren

An Ordinance authorizing the Mayor to convey an easement to the City of Cleveland for the installation of a water line between Cedarbrook Road and Tullamore Road as part of the Cedar Lee Meadowbrook Development; and declaring the necessity that this legislation become immediately effective as an emergency measure.

WHEREAS, as part of the Cedar Lee Meadowbrook Project, it is necessary that a water line be constructed on City-owned property identified as a portion of Permanent Parcel No. 687-06-160, as shown in Exhibit "A" attached hereto and incorporated herein; and

WHEREAS, the granting of such easement would be of benefit to the City and its residents.

BE IT ORDAINED by the Council of the City of Cleveland Heights, Ohio, that:

SECTION 1. The Mayor be, and he is hereby, authorized to execute an easement over a portion of City-owned property identified as Permanent Parcel 687-06-160, as shown on Exhibit "A" attached hereto and incorporated herein, to the City of Cleveland, Division of Water. The easement shall be for the purpose of construction and maintenance of a water line necessary for the Cedar Lee Meadowbrook Project. The easement shall contain such other terms as recommended by the Mayor and Director of Law and shall be approved as to form by the Director of Law.

SECTION 2. This Council hereby determines that the easement authorized herein does not interfere with the use of the City-owned property for public purposes.

SECTION 3. Notice of the passage of this Ordinance shall be given by publishing the title and abstract of its contents, prepared by the Director of Law, once in one newspaper of general circulation in the City of Cleveland Heights.

SECTION 4. This Ordinance is hereby declared to be an emergency measure immediately necessary for the preservation of the public peace, health and safety of the inhabitants of the City of Cleveland Heights, such emergency being the need to meet construction deadlines so that the Cedar Lee Meadowbrook Project is not delayed. Therefore, provided it receives the affirmative vote of five (5) or more of the members elected or appointed to this Council, this Ordinance shall take effect and be in force immediately upon its passage; otherwise, it shall take effect and be in force from and after the earliest time allowed by law.

From: Brian Iorio, CDBG Coordinator

C.C.: Cleveland Heights City Council; Eric Zamft; William Hanna

RE: Resolution 050-2023; Year 49 (2023) CDBG Annual Action Plan

Resolution 050-2023 is asking City Council to authorize the Mayor to submit to the US Department of Housing and Urban Development the City's Year 49 (FY 2023) Community Development Block Grant (CDBG) Annual Action Plan. This is a required step in the City's allocation of CDBG funds from HUD.

As discussed at the November 21, 2022 Council Committee of the Whole, the allocations listed in Exhibit A of Resolution 050-2023 are being recommended by both the CAC and the City Administration. Changes to the allocation of funds requested by City Council have been incorporated and are reflected in the allocation table (Exhibit A). The table also incorporates the \$9,128 increase in 2023 CDBG funding that is in excess of the \$1.55M 2023 estimate. These additional funds were allocated to the 2023 ADA Curb Ramp project in accordance with the annual plan's contingency plan. The initial CAC recommendations were determined at a series of Public Hearings held on August 16th and August 23rd, and at a Public Meeting held on October 25, 2022. Public notice for the availability of the Plan for review and the acceptance of public comment was made on December 15, 2022 and February 2, 2023. The CAC reviewed and unanimously approved the updated plan for recommendation to Council at the January 18, 2023 and February 22, 2023 CAC Public Hearings. Public comments were received and are included in the annual plan (Exhibit B). The plan can also be viewed by visiting this link: [Year 49 Annual Action Plan](#). 1. Introduction

The Five-Year Consolidated Plan (FY 2020-2024) for the City of Cleveland Heights describes the needs of low- and moderate-income residents, persons with special needs, and homeless individuals and families. The Strategic Plan section outlines the goals, strategies, partners, and anticipated financial resources that will be available to implement projects using HUD Community Development Block Grant (CDBG) and HOME Investment Partnerships Program (HOME) funds. This document, the Annual Action Plan, sets forth the specific projects that will be implemented during FY 2023. At the conclusion of each year, the City submits the Consolidated Annual Performance and Evaluation Report (CAPER), describing the results in implementing projects.

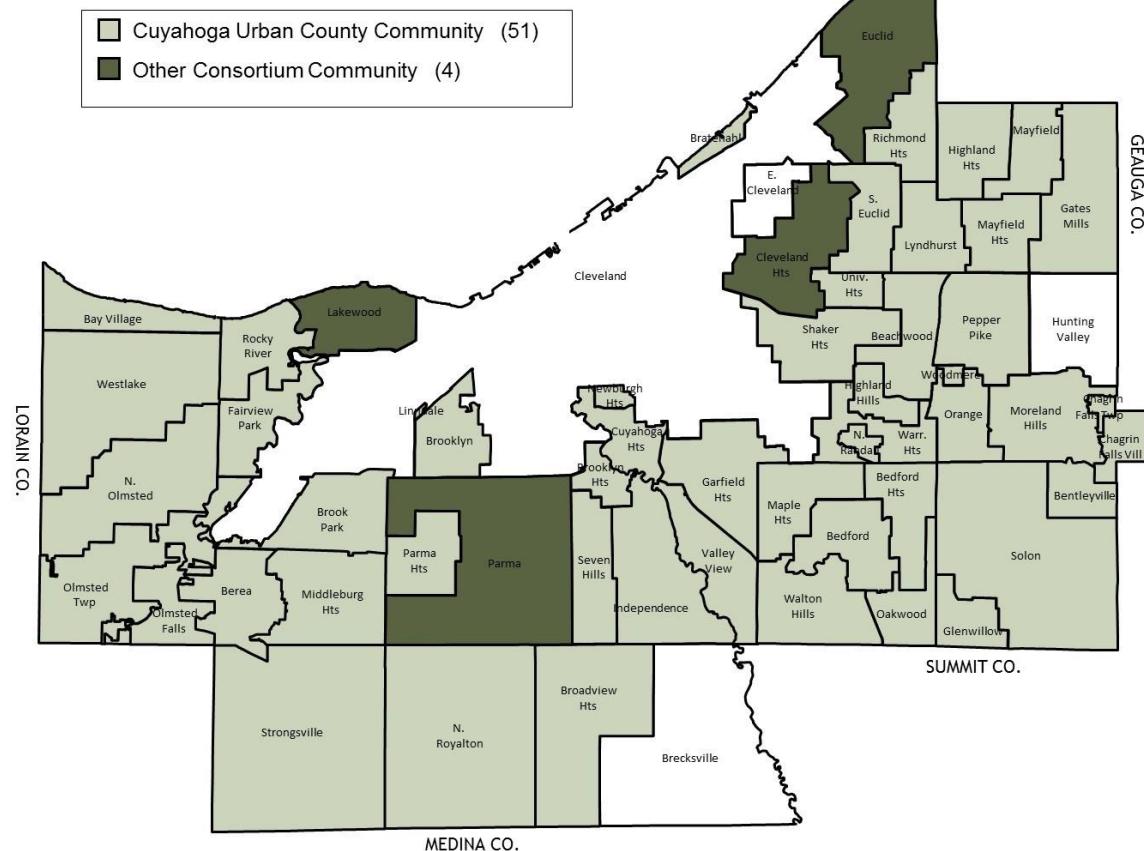

HUD funding is intended to assist individuals and families that earn less than 80% of the Median Family Income (MFI) in a metropolitan area. HUD defines these categories based upon household income, adjusted for family size. The maximum income for a family of four in 2022 is: \$25,600 (0-30% of MFI), \$42,700 (31-50% of MFI), and \$68,300 (51-80% of MFI).

Cuyahoga Housing Consortium

The City of Cleveland Heights is a member of the Cuyahoga Housing Consortium (Consortium) (**see attached Map**). The five Consortium members – the HUD entitlement jurisdictions of Cleveland Heights, Euclid, Lakewood, Parma, and the Cuyahoga County Urban County – formed the HUD-approved Consortium in the early 1990's to leverage HOME program funds for their communities. By acting jointly, the funding amount received by the group is greater than the amount of money that could be obtained by the jurisdictions individually. The Consortium also uses the opportunity of having 55 communities working together – representing two-thirds of all county residents (840,000 persons) – to ensure broader planning and coordination on affordable housing issues within Cuyahoga County.

In some sections, the FY 2020-2024 Five-Year Plan for the Cuyahoga County Urban County incorporates discussions pertaining to the Consortium as a whole.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

HOUSING NEEDS

Cleveland Heights, Ohio, a community of 19,235 households and 45,390 persons (2011-15 ACS), is located in northeastern Cuyahoga County. Between 2009 and 2015, the population declined 2% and the number of households decreased 1%. While the median income, at \$53,014, increased 8% between 2009 and 2015, 42% of all households have incomes that are 80% or less of the (HUD) Area Median Family Income (HAMFI). Poverty citywide was 19% and varied by Census Tract.

The percentages of all households whose incomes were 80% or less of HAMFI varied depending on household type: households with one or more children six years or younger (50%, 1,184 households); large family households (51%, 690 households); households containing at least one elderly person 62 years or older (41%, 2,494 households), and small family households (28%, 1,920 households).

Housing affordability is one of the most prevalent housing problems in Cleveland Heights. Median rent, at \$750, and median housing value, at \$128,400, while similar to the county medians, still pose a financial burden for households with lower incomes. Another measure of affordability is cost burden (spending more than 30% of income for housing), or severe cost burden (spending more than 50% of income for housing). Of the 2,345 households with a cost burden greater than 30%, 1,985 households (69% renters and 31% owners) had incomes that were 80% or less of HAMFI. Of the 3,039 households with a cost burden greater than 50%, 2,975 households (59% renters and 41% owners) had incomes that were 80% or less of HAMFI. Small family households, the elderly, and "other" (one-person) households with incomes that were 80% or less of HAMFI experienced the greatest burden.

Poverty also continues to put low-income individuals and families with children at-risk of homelessness.

Needs of Homeless Persons and Families

The Cleveland/Cuyahoga County Office of Homeless Services (OHS) collects data on the extent and nature of homelessness in Cuyahoga County through the Cleveland/Cuyahoga County Continuum of Care (CoC) providers at emergency shelters, transitional housing, and permanent supportive housing facilities utilizing the Homeless Management Information System. The OHS/CoC also conducts the annual Point-in-Time count, which is conducted in accordance with HUD standards. It is estimated that about 2,044 persons experience homelessness on any given night; about 7,250 persons experience homelessness each year; and almost 3,441 persons – both individuals and families – lose their housing and become homeless each year. The homeless include chronically homeless individuals and families, children, and veterans. Two-thirds of homeless persons are Black or African American, and just over 30% are White. About 1% of homeless persons are unsheltered.

In Cuyahoga County, the extensive network of public, private, and non-profit agencies that comprise the CoC work in concert to meet the needs of homeless persons, actively promoting an approach that focuses on preventing and ending homelessness and rapidly returning people who have become homeless to housing. Particular emphasis is placed on assisting chronically homeless individuals and families, families with children,

persons with HIV/AIDS, veterans and their families, and unaccompanied youth. The network includes providers of housing and supportive services for the homeless, as well as governmental departments and area non-profit agencies that provide services and link persons to mainstream benefits, helping the homeless to find, and retain, housing.

Due to restrictions on answer length, the Objectives and Outcomes Summary is continued in the accompanying Text Box.

AP-05 Objectives and Outcomes Summary (continued)

The City of Cleveland Heights does not receive HUD Emergency Solutions Grant funds that assist in implementing these strategies, however residents of any community countywide, including Cleveland Heights, can utilize the CoC's services.

Non-homeless Persons with Special Needs

HUD has defined a number of special needs categories of persons within the low- and moderate-income population: elderly (age 62 and older); frail elderly; persons with mental, physical, and/or developmental disabilities; persons with alcohol or other drug addiction; persons with HIV/AIDS and their families; and survivors of domestic violence, dating violence, sexual assault, and stalking. Persons in all these categories live in Consortium jurisdictions and have housing and supportive service needs.

A network of providers delivers housing and supportive service in Cuyahoga County to meet the needs of special needs populations.

HOUSING MARKET

Cleveland Heights, a built-out first ring suburb of Cleveland, had more than two-thirds of its housing construction occur pre-1950. The 2011-15 ACS data showed 21,805 housing units in Cleveland Heights, a 1% decrease since 2000. Of these units, almost 88% were occupied and 12% were vacant. Of the occupied housing units, about 57% were owner-occupied, while 43% were renter-occupied. Owner and renter occupancy varied by Census Tract.

About 64% of all units (13,870 units) in Cleveland Heights were single-family (detached or attached) housing units, 12% (2,580 units) were 2-4 units, 12% (2,710 units) were 5-19

units, and 12% (2,570 units) were structures with 20 or more units. Percentages of structures with a large number of units varied by Census Tract.

The number of bedrooms in housing units showed considerable variation by tenure. Larger units were more common among owners (10,870 units): 90% of units had 3 or more bedrooms and 9% of units had 2 bedrooms. Conversely, of renter-occupied units (8,360 units) only 33% had 3 or more bedrooms, 31% had 2 bedrooms, 33% had 1 bedroom, and 3% had zero bedrooms.

In terms of affordability, a limited number of units are affordable to low income renter households: 5% at 30% HAMFI, about 13% at 50% HAMFI, and about 35% at 80% HAMFI. The situation is even more serious for owner households: (no data at 30% HAMFI), about 7% at 50% HAMFI, about 17% at 80% HAMFI, and 23% at 100% HAMFI.

Cost of Housing

When compared to housing costs in other parts of the country, the overall housing market in Cuyahoga County and Cleveland Heights has remained relatively affordable for the last several decades. During the Great Recession, rents remained stagnant and home values fluctuated substantially. Median home sale prices have stabilized and have increased gradually in Cleveland Heights from 2016 through 2019. No significant change is anticipated in the overall affordability of the housing market relative to home values or rent levels. The potential impact of the current coronavirus pandemic on real estate prices during the next several years is unclear.

Housing Condition

About 93% of the housing units in Cleveland Heights were built in 1979 or earlier, meaning that cyclical maintenance is an ongoing need. Only about 2% of the housing units experienced the situation of overcrowding, lack of complete kitchen facilities, or lack of complete plumbing facilities.

Lead based-paint (LBP) hazard is an ongoing issue due to the quantity of pre-1980 housing stock. While lead remediation has occurred in a limited number of units, childbirth and/or the movement of households to unremediated units creates new situations of LBP hazards for small children.

AP-05 Objectives and Outcomes Summary (second continuation)

STRATEGIC PLAN

Goals and Programs

The City of Cleveland Heights has identified four goals, through which activities will be implemented during the next five years:

Improve, Maintain, and Expand Affordable Housing: provide programs for renters and owners, including down-payment assistance, home improvement, weatherization/energy efficiency, accessibility improvements, and correction of building code violations. Eligible areas will receive building code enforcement services. As a result of a local/state/national emergency or natural disaster, the City may improve neighborhood stability by assisting renters and/or owners who are at-risk of foreclosure, eviction, and/or utility termination to remain in their housing.

Revitalize Residential Neighborhoods: improve the physical condition, health, and safety of neighborhoods with projects such as improvements to rights-of-way, water and/or sewer lines, and/or public facilities. The City may also fund activities to remediate blighted conditions.

Provide Needed Public Services: focus on the elderly, frail elderly, persons with physical disabilities, persons with developmental disabilities, and low- and moderate-income families with children as a priority for housing assistance. The City will assist public service activities that include - but are not limited to - education, work, transportation, healthcare, housing, fair housing, healthy food access, and domestic violence. The City may support interrupted or at-risk governmental functions.

Increase Economic Opportunities: provide public infrastructure improvements to aid economic development; assist for-profit commercial enterprises with access to working capital, building rehabilitation and new construction activities designed to create or retain jobs; eliminate substandard or blighted building and neighborhood conditions.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The City of Cleveland Heights has programmed its Community Development Block Grant and HOME funds for activities that significantly address neighborhood and community issues and will continue to do so. For example, housing rehabilitation work eliminates significant health and safety deficiencies; the downpayment assistance program strengthens neighborhoods and supports community property values by creating new homeowners; code enforcement activities over time have resulted in a decrease in the number of housing units with serious exterior violations; the storefront renovation and commercial loan programs strengthen local businesses and retain/create jobs; and essential public services that assist youth, the elderly, and other

groups of residents in need of assistance help households with low- and moderate-income prevent homelessness and build towards self-sufficiency.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

During the development of the FY 2023 Annual Action Plan, the City of Cleveland Heights utilized notices in a newspaper of general circulation, public meetings, and internet outreach to solicit public comment. Public notices and documents were posted on the City's website and hybrid online/in-person public hearings were held.

The City of Cleveland Heights has a Citizens Advisory Committee (CAC), which reviewed funding proposals from the local government and nonprofit organizations. In a series of public meetings, the CAC hosted presentations from the applicants and discussed the proposals. The CAC presented the FY 2023 Annual Action Plan funding recommendations to Cleveland Heights City Council for their review and approval prior to the submission of the documents to HUD. For more specific details about the citizen participation process, please refer to section **PR-15 Citizen Participation**.

The City of Cleveland Heights is active throughout the year in monitoring its activity subrecipients and consulting with nonprofit organizations and public agencies to gain input and feedback. For more specific details about the consultation process, please refer to section **PR-10 Consultation**.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

To be completed at the end of the public comment period and prior to submission to HUD.

Narrative

This document discusses the Community Development Block Grant funds received directly by Cleveland Heights, Ohio. This document is also part of a submission to HUD by the Cuyahoga Housing Consortium, representing the five jurisdictions of Cleveland Heights, Euclid, Lakewood, Parma, and the Cuyahoga County Urban County.

The Cuyahoga Housing Consortium

In 1991, the City of Cleveland Heights, City of Euclid, and the Cuyahoga County Department of Development—at that time representing the 43 communities of the Cuyahoga County Urban County—received HUD approval to form the Cuyahoga Housing Consortium. Over several years, the Cities of Lakewood and Parma received HUD approval to join the Consortium. With later community additions to the Cuyahoga County Urban County, in 2020 the Consortium represents about 840,000 persons in 55 communities, or two-thirds of all Cuyahoga County residents.

The Consortium is governed by a seven-member Board consisting of the Mayor or City Manager of Cleveland Heights, Euclid, Lakewood, and Parma, along with 3 Cuyahoga County appointees. These jurisdictions formed a consortium to receive HOME funds jointly from HUD. By creating the Consortium, the total amount of HOME funds received by the group

is greater than the amount of HOME funds that could be obtained by the individual jurisdictions. Cumulatively, that decision has brought millions of dollars for local housing programs. Actions taken as the Cuyahoga Housing Consortium do not affect allocations of CDBG funds or other federal funds to the individual members.

In addition to receiving HOME funds, the Consortium leverages the fact that 55 communities in Cuyahoga County work together for the Consolidated Plan process, which is an opportunity to ensure broader planning and coordination on affordable housing issues within the county. The following CDBG entitlement communities are not members of the Consortium and file Consolidated Plan documents directly with HUD: Cleveland and East Cleveland.

The Consolidated Plan approach is the means to meet the submission requirements for the Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) formula programs, the four formula programs available to jurisdictions:

- **Community Development Block Grant (CDBG).** These funds are used for a variety of community development, neighborhood revitalization, or economic development programs, with the intent of assisting low- and moderate-income people and improving deteriorated areas.
- **HOME Investment Partnerships Program (HOME).** These funds are used specifically for housing related projects, such as first-time homebuyer assistance or housing rehabilitation. The funds are received directly from HUD by the Cuyahoga Housing Consortium on behalf of its five partner jurisdictions, and Cuyahoga County is the lead administrative entity.
- **Emergency Solutions Grant (ESG).** Based upon HUD formulas, only Lakewood and the Cuyahoga County Urban County receive ESG funds directly from HUD. These funds are intended to assist persons and families who are homeless or at-risk of homelessness. The funds can be spent in any community in Cuyahoga County.
- **Housing Opportunities for Persons With AIDS (HOPWA).** In Northeast Ohio, only Cleveland receives HOPWA funds from HUD, and that city coordinates funding in Cuyahoga County and surrounding counties. The funds can be spent in any community in Cuyahoga County.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The following are several examples of existing coordination between public and assisted housing providers and private and government health, mental health, and service agencies in Cuyahoga County that have the potential to involve residents of Consortium jurisdictions:

- The Board of Cuyahoga County Alcohol, Drug Addiction & Mental Health Services (ADAMHS) provides housing related activities through a number of programs, such as the Housing for Persons on MAT (Medication-Assisted Treatment), funded through the Ohio Department of Mental Health and Addiction Services (OhioMHAS)-State Opioid Response program. During 2018, of the total \$19.5 million spent by the Board related to addiction services, approximately \$1.9 million was spent on housing services.
- There are also persons released from physical health institutions that could be at-risk of homelessness, such as persons who have lost employment during their hospital stay, do not have sufficient savings to pay ongoing housing and housing-related costs during their hospital stay, and do not have a support network of other persons to assist them through this period. Social workers at physical health institutions have access to resources such as United Way of Greater Cleveland's 211/First Call For Help, an information clearinghouse staffed 24-hours-a-day to provide information on a variety of health, housing, and human service needs. In addition to United Way and its partner organizations, the Cleveland/Cuyahoga County Office of Homeless Services is also available to assist in an effort to prevent a homelessness situation from occurring.
- Cuyahoga Metropolitan Housing Authority police officers receive training to better handle social problems they confront, such as poverty, domestic violence, drug abuse, and child welfare. At the time of assistance, officers make referrals to mental health professionals. Counselors respond within 48 hours to schedule counseling, and an evaluation visit takes place within three days. The Police Assisted Referral (PAR) program is a partnership led by the Partnership for a Safer Cleveland and includes the CMHA Police Department, Case Western Reserve

University's Begun Center on Violence Prevention Research and Education at the Mandel School of Applied Social Sciences, FrontLine, and Beech Brook.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

Housing providers, and health and service agencies in Cuyahoga County have a long record of working together to address the needs of homeless persons, including the chronically homeless, families with children, veterans, and unaccompanied youth, as well as persons at risk of homelessness. The following are selected projects.

Guaranteed Access to Shelter

The Cleveland/Cuyahoga County Continuum of Care (CoC) and government officials, county and city departments, and non-profit housing and service providers guarantee that everyone will have access to emergency shelter, or, if a shelter is full, transportation and space at another facility.

HousingFirst Initiative (HFI)

HFI is a successful public/private partnership to develop permanent supportive housing and end chronic homelessness countywide. HFI moves chronically homeless persons into stable housing and links the person to comprehensive support services on-site. About 80% of residents remain in their apartments, with almost all engaged in services. The rate of emergency room visits and hospitalizations has been substantially reduced. About 20% of the residents move on to more independent housing situations and/or reunite with family. Only a small percentage of persons return to a shelter.

Hospital Protocols for the Homeless

A difficulty for shelters, hospitals, and hospitalized homeless persons is when the patient is about to be discharged. If the patient has recovered sufficiently, the hospital cannot continue to keep him/her, however a shelter often does not have the medical expertise or appropriate accommodations to care for someone with more extensive medical needs. Through the CoC, a coalition of shelter providers, hospital social work staff and administrators, and local foundations implemented discharge screening guidelines. If the patient is homeless at discharge but does not meet ten basic functioning measures, the patient is sent to a nursing home or alternative care facility until the person can be safely discharged to a non-medical living situation.

211/First Call for Help

The United Way of Greater Cleveland administers this 24-hour/7 day-a-week hot line. This resource, developed collaboratively by United Way and social service providers, allows anyone, including homeless persons or persons at risk of homelessness, to call with questions regarding service needs and immediately receive an answer or referral.

Discharge Policies

State and local governments are required to have Discharge Coordination Policies and Protocols in place to ensure that a person being discharged from a publicly funded institution or system of care, such as health care facility, mental health care facility, foster care, youth facility, or correctional facility, is not discharged into homelessness. The CoC has adopted existing State policies and procedures or developed its own policies and procedures to address this need.

Cuyahoga County Office of Re-Entry

The Cuyahoga County Office of Re-entry, Department of Health and Human Services, addresses the needs of persons returning to Cuyahoga County from the Ohio Department of Rehabilitation and Correction. The Office funds agencies, programs, and entities working with individuals in jail, prison, or on community control, probation or parole. These entities serve currently incarcerated persons, persons under community control sanctions, juveniles, people formerly incarcerated, and others with a range of judicial backgrounds, including arrests. A client is someone returning to the community after a period of incarceration and experiencing significant barriers to reintegration, including employment, education, housing, or support services such as behavioral health and substance abuse treatment.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Cleveland Heights is not a recipient of Emergency Solutions Grant funding.

Continuum of Care	Cleveland/Cuyahoga County Continuum of Care	The Consolidated Plan Strategic Plan goals support the goals of the Continuum of Care (CoC) Plan. The Office of Homeless Services (OHS) serves all 59 communities in Cuyahoga County and coordinates with public, private, and non-profit agencies that facilitate and/or provide, either directly or indirectly, housing and/or social services to persons in Cuyahoga County who are chronically homeless, homeless, or at-risk. The CoC Plan is available at http://www.cuyahogacounty.us/2014/07/10/2015-continuum-of-care-plan/ . The CoC Plan also includes the Print for Change and Cuyahoga County Health and Human Services Annual Overview.
Economic Development Plan	Cuyahoga County	This plan, updated annually by Cuyahoga County government, focuses on the areas of innovation, education, and economic development. Although primarily intended to create jobs, more than dollars provided by HUD, the Plan emphasizes that investments should create high-quality jobs, support education and preparation for jobs and careers, and accelerate business growth. The Consolidated Plan Strategic Plan goals focus on investing funds, reinforce these investment objectives of the Cuyahoga County Economic Development Plan. 1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

The five Consortium jurisdictions take actions to encourage participation by all residents. For example, jurisdictions conduct outreach on a communitywide basis through various types of media, such as community based newspapers and newsletters, electronic newsletters, home mailings, websites, and public access cable TV channels. Outreach is also expanded through members of citizen advisory committees or special interest groups, as well as program subrecipients. Outreach is also conducted at community facilities, such as posting notices at recreation centers, senior centers, libraries, and municipal buildings. These actions increase the opportunity for residents from throughout a community to participate in the process, including low- and moderate-income residents, minorities, and residents living in HUD-assisted housing.

The Consortium jurisdictions also undertake the following types of actions to encourage citizen involvement:

- Translation services can be provided for non-English speaking residents.
- Meeting locations and office space housing Consortium jurisdiction staffs are accessible to persons with disabilities.
- Meetings, hearings and all other public activities are scheduled at times and locations convenient to encourage attendance.
- Reasonable and timely access is provided to information and records relating to the Consolidated Plan and use of HUD assistance.
- Each Consortium jurisdiction has a Citizen Participation Plan, which is available on request.

The Cuyahoga County Department of Development, as the lead administrative entity for the Cuyahoga Housing Consortium, was responsible for overseeing the development of the Five-Year Consolidated Plan, with assistance from PlaceMark Collaborative, LLC, Lakewood, Ohio.

The following table shows the public comment process undertaken by Cleveland Heights. Due to the coronavirus pandemic and the Ohio Governor's stay-in-place order, documents were available on jurisdiction websites and online public hearings were held.

All public meetings were held on weekday evenings or weekdays during the day. All jurisdictions linked the public meetings for the Five-Year Consolidated Plan and the FY 2020 Annual Plan, which provided continuity for discussing both short-term and long-term timeframes. Also, jurisdictions with a Citizen Advisory Committee (CAC) coupled the public meetings for the Five-Year Consolidated Plan to the public meetings of their CAC, which were in the process of receiving presentations from organizations and making funding recommendations for the FY 2020 Annual Plan.

All public meetings were held at well-known local facilities that were accessible to persons with disabilities. At each public meeting, the Five-Year Consolidated Plan was listed and discussed as a separate agenda item. The discussions included presentations of background information, data, and priorities, and time was allotted for audience questions.

The staffs of Consortium jurisdictions provide technical assistance to groups developing proposals for funding assistance under the Consolidated Plan. Offers of technical assistance are included as part of application materials, published notices, and/or made verbally during group meetings. Staffs also provide their contact information on their respective websites. Technical assistance, on a one-on-one basis, often includes explanations concerning programs, potential projects, application procedures, or application content.

Expected Resources

AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)

Introduction

The Year 49 (2023) Annual Action Plan identifies the resources expected to be available to the City of Cleveland Heights to address priority needs and specific objectives identified in the Strategic Plan of the 5-Year Consolidated Plan. The City of Cleveland Heights is a direct entitlement community for the Community Development Block Grant (CDBG) Program. The City is also a member of the Cuyahoga County Consortium for the HOME Investment Partnership (HOME) Program, and receives an annual allocation through that program. The HOME allocation is discussed in the HUD documents

prepared by the Cuyahoga County Urban County, which is the lead entity for the Consortium.

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	1,559,128	128,500	540,304	2,227,932	1,330,879	The listed prior year resources are unallocated and reprogrammed prior year resources. At this time (Dec. 2022) it is estimated that the total of allocated prior year resources for 2023 will be roughly \$3,000,000.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City of Cleveland Heights has been successful in leveraging additional funds. Many of the City's rehabilitation programs require the homeowner to match funds they receive. For example, the Home Repair Resource Center has established good working relationships with several area banks that contribute to their ability to leverage additional funds. The City works to maximize our infrastructure projects by leveraging federal, state and county resources where possible. Most of our Public Service subrecipients receive funding from multiple public and private agencies and individuals. The City also requires a matching percentage from all commercial businesses which participate in our

Commercial Loan or Storefront Renovation projects.

The City of Cleveland Heights is also a partner with the Cuyahoga County Board of Health to implement the Lead Safe Cuyahoga program. This program assists with the removal of lead hazards in low- and moderate-income households where children under the age of six are residing in the home or, in the case of rental units, where there is a high probability of children residing. Property owners must provide a minimum matching percentage to participate in the program unless exempted by an administrative decision.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

For 2023, the public land that will be utilized for CDBG projects include: the Cedar Lee Mini-Park, various street crossing for the ADA Curb Ramp Project, public facilities in need of accessibility improvements and City owned offices and facilities. The City of Cleveland Heights anticipates that the Cedar Lee Mini-Park will help improve accessibility and sustainability in the Cedar Lee Commercial District. The street crossing that undergo rehabilitation for ADA improvements will improve accessibility for residents with a disability. City owned offices and public facilities will be utilized for administrative purposes, program delivery purposes and for the direct provision of services that will improve the accessibility, sustainability and the affordability of housing.

Table 6 – Goals Summary

Goal Descriptions

1	Goal Name	Improve, Maintain, and Expand Affordable Housing
	Goal Description	<p>Goal I: Improve, Maintain, and Expand Affordable Housing will be carried out by four organizations in 2023: the City of Cleveland Heights' Housing Preservation Office (HPO), the Home Repair Resource Center (HRRC), FutureHeights CDC, and Start Right CDC. Activities undertaken by HPO in 2023 are: the Exterior Paint Program, the Violation Repair Program for Seniors, the Strategic Home Repair Program, the LMI Code Enforcement Program, the Short Term Deferred Loan Program (prior year funds), the Water/Sewer Line Replacement Program (prior year funds), and Program Delivery Costs associated with the aforementioned programs. Additionally, HPO operates the HOME-funded Deferred Loan and No Interest Loan Programs; and the Lead Safe Cuyahoga and Healthy Homes Programs. Activities undertaken by HRRC in 2023 are: the Assist Incentive Grant Program, Deferred Loan Match Program, Senior Home Stability Grant Program, Lead Remediation Program (prior year funds), the Assist 0% Program (prior year funds), the Home in the Heights Program (prior year funds) and Program Delivery Costs associated with the aforementioned programs. HRRC also administers the HOME-funded Down Payment Assistance Program. In 2023, FutureHeights will be continuing their FutureHomes (prior year funds) Program. In 2023, Start Right CDC will be continuing their Good Neighbor Home Rehab (prior year funds) Program.</p>
2	Goal Name	Revitalize Residential Neighborhoods
	Goal Description	<p>Goal II: Revitalize Residential Neighborhoods is being carried out by three city departments in 2023: the City of Cleveland Heights' Public Works Department, the City of Cleveland Heights' Housing Preservation Office and the City of Cleveland Heights' Public Buildings and Lands Department. The Public Works Department will be implementing Phase V of its multi-year project to upgrade all road crossings with ADA compliant curb ramps. The Housing Preservation Office conducts systematic housing code enforcement in low-mod areas and the removal of slum and blighted conditions throughout the City (nuisance abatement). \$300,000 of prior year funds and program income from the Commercial Revolving Loan Fund is being reallocated to the Nuisance Abatement Program. The Department of Public Buildings and Lands will be utilizing CDBG funds to improve accessibility and remove architectural barriers in public facilities.</p>

3	Goal Name	Provide Needed Public Services
	Goal Description	Goal III: Provide Needed Public Services will be carried out by 9 different organizations in 2023. These organizations are: the Home Repair Resource Center (HRRC), the City of Cleveland Heights' Office on Aging, The City of Cleveland Heights' Housing Preservation Office (HPO), the City of Cleveland Heights' Recreation Department, the Heights Emergency Food Center, Family Connections, Open Doors Academy (ODA), Start Right CDC, Gesher, Lake Erie Ink, and Naaleh Cleveland.
4	Goal Name	Increase Economic Opportunities
	Goal Description	Goal IV: Increase Economic Opportunities, will utilize 1 organization in 2023: the City of Cleveland Heights' Economic Development Department. The City's Economic Development Department operates several programs with 2023 funds, prior year funds and program income. These programs include: the Storefront Renovation Rebate and Grant Programs, the Commercial Revolving Loan Fund, the Microenterprise Assistance Loan Fund and the program delivery costs associated with administering the aforementioned programs.

AP-35 Projects - 91.420, 91.220(d)

Introduction

There are three national objectives under the CDBG program that all projects must meet.

- 1) CDBG regulations require that no less than 70% of a grant can be awarded to projects that benefit low- and moderate-income persons.
- 2) CDBG funds may aid in the prevention or elimination of slum and blighted conditions.
- 3) CDBG funds may be utilized to address other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available to meet such needs.

The CDBG Program is flexible and allows the City to determine how best to meet the needs of its low- and moderate-income residents. The goals established in the Consolidated Plan guide the City in awarding CDBG funds.

The City of Cleveland Heights will certify that 70% of the aggregate expenditure of CDBG funds over three years (2023, 2024, and 2025) will benefit persons of low and moderate incomes.

The figures listed for programs do not include funds that were allocated in prior years and funds that will be matched or leveraged through financial institutions and property owners on individual projects. Program income is budgeted back into the program that generated it, with the exception of funds being repaid to programs that no longer operate under CDBG. The Deferred and No Interest housing loan repayments will be budgeted to the Commercial Loan fund.

AP-50 Geographic Distribution - 91.420, 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The City of Cleveland Heights is a diverse community that prides itself on its integrated neighborhoods. The city has a minority population of 23,137, representing 48.9% of the total population according to the 2010 census. The most recent data provided by HUD from the 2011-2015 ACS shows that there are 12 census block groups in the city which qualify as low- and moderate-income eligible areas.

Improvement Target Areas have been identified through a survey developed and conducted by the Cuyahoga County Planning Commission. This process was approved by HUD. The Improvement Target Area survey instrument is used to evaluate the condition of individual properties. An update to the Improvement Target Area study was conducted in 2012 and a completed report from the Cuyahoga County Planning Commission was received in 2013. The areas determined to be ITAs are the following: the intersection of Noble and Mayfield Roads (north side); the intersection of Mayfield and Lee Roads (south side) and the intersection of Cedar and South Taylor Roads (south side).

This updated Improvement Target Area study will be utilized in implementing the Storefront Renovation programs described in this plan that address area slum and blight.

Geographic Distribution

Target Area	Percentage of Funds
City of Cleveland Heights	100

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Most programs are available to low and moderate income households throughout the city as they are a direct low-mod housing benefit, low-mod area benefit or limited clientele benefit (Public Service activities). The exceptions are the programs that eliminate a slum/blight condition as determined by a HUD approved blight survey. Some programs only take place in Census designated Low- and Moderate-Income

areas.

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

The City of Cleveland Heights maintains great diversity in its housing stock, both in form and in affordability. The city has a reputation for being a welcoming and inclusive community. Land use regulations, zoning requirements and other public policies are designed to preserve the historic nature of our neighborhoods, preserve and improve connections to/from/between neighborhoods, expand economic opportunities and improve the quality of life.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Actions are being proposed to improve the affordability of the City's housing stock. Following the foreclosure crisis, many of the City's housing units turned vacant and the City continues to provide incentives to bring these units into code compliance. A city-wide property tax abatement program currently incentivizes investment in low-mod neighborhoods, improving both residential and commercial opportunities. Further, the City is exploring partnering with various non-profits to become developers of affordable mixed-use and infill housing. The City also updated its zoning code's definition of family in order to prevent housing discrimination of non-traditional family units and group quarters.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

The City of Cleveland Heights works closely with public and private partners to leverage its resources including various grants from Cuyahoga County and the State of Ohio. This applies to many of our nonprofit partners including the Home Repair Resource Center, Heights Community Congress and FutureHeights. In addition, the City also prides itself on the level of civic engagement that we enjoy.

In 2015 the City began a Master Planning process, in conjunction with the Cuyahoga County Planning Commission, which was completed in 2017. The Master Plan includes policies and implementation strategies to accomplish the City's vision. These are organized into 11 major topic areas: Future Land Use, Vibrant Neighborhoods, Complete Transportation Network, Environmentally Sustainable Community, Business Friendly, Strong Business Districts, High Quality Infrastructure, Hub for Arts and Culture, A Diverse and Open Community, A Safe and Engaged Community, and A Healthy Community. The Master Plan attempts to be a fully integrated plan addressing the various elements that makes Cleveland Heights a viable community and it does recognize the efforts already being undertaken and described in this Consolidated Plan. The implementation section will provide additional potential revenue sources that the City can apply for in order to strengthen and expand the community development efforts already undertaken and described in this Consolidated Plan. In 2018, Cleveland Heights City Council passed a Complete and Green Streets Policy that sets requirements for improving all modes of transportation throughout the City. The Policy directs coordination among City Departments and defines metrics for measuring success. Persons of low- and moderate-income and persons with disabilities particularly benefit from such a policy due to the decreased access and utilization of personal motorized vehicles. In 2019, the City of Cleveland Heights won the award for Best Complete Streets Policy by Smart Growth America.

Actions planned to address obstacles to meeting underserved needs

The greatest obstacle to meeting underserved needs in our community is the uncertainty of the amount of Community Development Block Grant as well as other federal and state resources. City Council and staff work diligently to ensure that all residents are able to have the highest quality of life and healthy sustainable neighborhoods.

City staff continually works to identify, apply and utilize funding from additional sources to strengthen our Community. Recently, the City has been able to secure Demolition

Funds from Cuyahoga County enabling the removal of blighted, vacant and abandoned structures. Additionally the City participates in the Lead Safe Cuyahoga rebate program, administering approximately \$110,000 per year in lead abatement/remediation funds.

The City has also been fortunate to receive grants from various sources in recent years that have enabled us to undertake projects that have or will benefit the community when completed. These include three Transportation for Livable Communities Initiative (TLCI) grants through the Northeast Ohio Areawide Coordinating Agency, two Surface Water Improvement Fund (SWIF) grants from the Ohio EPA and transportation enhancement funds from the state of Ohio and American Rescue Plan Act funds.

Actions planned to foster and maintain affordable housing

The City will continue to offer programs that make or keep housing affordable in the city. Cleveland Heights is a community with a wide variety of housing opportunities including: apartment buildings, modest single family homes, two-family homes, medium priced to very high end single family homes, townhomes and condominiums. With our large rental market and competitive house prices, the city is often affordable with regard to housing options.

The City of Cleveland Heights has entered into an agreement with Cuyahoga County and the cities of Euclid, Lakewood and Parma to jointly participate in HOME program funding by creating the Cuyahoga Housing Consortium. The consortium has allowed for the coordination of housing program delivery by CDBG entitlement communities.

Most of our housing was built prior to 1945 and therefore home repairs can be a barrier to low- and moderate-income homeowners. Housing rehabilitation costs are barriers that we are addressing to assist low and moderate-income households remain in their homes. We work closely with our Housing Inspections Department and our Office on Aging to provide information to low- and moderate-income homeowners who are cited for code violations about the availability of the City's federally-funded grants and low-interest financing for home improvement projects. Home Repair Resource Center programs also provide education, counseling and funding opportunities to low-and moderate-income residents to help prevent code violations and related safety issues. We also have a HOME funded down-payment assistance program that assists LMI households to be able to afford purchasing their own homes.

Actions planned to reduce lead-based paint hazards

The City of Cleveland Heights will continue to partner with the Cuyahoga County Board

of Health and the Cuyahoga Department of Development to implement the Lead Hazard Control/Lead Hazard Reduction Grants. Funds for these programs were successfully secured from the department of Housing and Urban Development. The programs provide grants of up to \$9,000 per unit for the removal of lead hazards from LMI households where children under the age of six reside. Most applicants must provide a minimum of 10% matching funds.

All contractors which are under contract for Federally-funded rehabilitation projects are monitored to ensure that they are following lead-safe practices.

Actions planned to reduce the number of poverty-level families

The City of Cleveland Heights utilizes its Commercial Loan program as a method to reduce the number of households living below the poverty line. The fund provides assistance to businesses for acquisition, expansion, and rehabilitation activities. The City looks for the creation of low-moderate income jobs as a result of these loan activities. Also, housing counseling is provided to low- and moderate-income homeowners. The counseling includes financial management of the household budget, which assists those persons having few financial means.

In addition, CDBG funds are used to support public service activities that have an impact on poverty. CDBG funds provide support to Gesher, a benefits referral and job placement program. CDBG funds also provide support to the Heights Emergency Food Center and Start Right Food Center, which provide low- and moderate-income families a three-day supply of food every month.

Actions planned to develop institutional structure

The City of Cleveland Heights administers its Community Development Block Grant entitlement grant through its Department of Planning and Development. The institutional structure through which Cleveland Heights carries out its affordable and supportive housing strategy consists of public sector agencies, non-profit organizations, and the private sector.

Actions planned to enhance coordination between public and private housing and social service agencies

The City of Cleveland Heights continues to foster coordination among public and private housing and social service agencies through several methods. The City allocates CDBG resources to subrecipients who handle a variety of issues, such as housing rehabilitation, fair housing and landlord/tenant concerns. Also, through the

allocation of CDBG resources to city departments and social services organizations, the City is assisting entities who are linked into networks of service providers within the metropolitan area, such as the Cleveland Heights Office on Aging, Family Connections of NE Ohio, the Heights Emergency Food Center, the Ohio Fair Lending Coalition, the Greater Cleveland Reinvestment Coalition and many more.

The CDBG funds augment other revenue sources for these organizations, such as memberships, grants, fund-raising efforts, and other in-kind donations of goods and/or services.

Discussion

The City of Cleveland Heights is committed to fair housing. The City of Cleveland Heights has a Fair Practices Ordinance and staff who work to encourage fair housing.

In 2020, the City completed an updated Analysis of Impediments to Fair Housing Choice. The AI identified 5 impediments and the City is actively working to overcome and/or remove these barriers. Of priority for 2023, the City will: continue to implement programs that reduce housing cost and evictions in the City for low-mod populations; make special considerations for accessibility in public spaces and encourage accessibility in new housing construction; and continue to monitor banking practices in order to promote fair lending.

The City has also allocated funding to on-going programs that assist in furthering fair housing. These include landlord and tenant counseling, diversity programming, sales and rental audits, leadership training that targets members of protected classes, Racial Equity and Inclusion Training for City and Non-Profit Staff and the general public and efforts to monitor lending institutions to ensure and promote fair lending.

Program Specific Requirements

AP-90 Program Specific Requirements - 91.420, 91.220(l)(1,2,4)

Introduction

The City of Cleveland Heights is estimating \$128,500 of Program Income for FY 2022. Program income is budgeted back into the program that generated it, with the exception of funds being repaid to programs that no longer operate under CDBG. The CDBG Deferred and No Interest housing loan repayments will be budgeted to the Commercial Loan fund.

Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(l)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	78.94%

Discussion

The City of Cleveland Heights will certify that 70% of the aggregate expenditure of CDBG funds over three years (2023, 2024, 2025) will benefit persons of low and moderate incomes.

Citizen Participation Comments

Year 49 (2023) CDBG Annual Action Plan – Public Comments

Comment #1:

Naaleh has the following compliance deficiencies and concerns:

1. Naaleh is not located in the City of Cleveland Heights. It is located in Lyndhurst.
2. The Ohio Secretary of State placed their non-profit status on hold due to failure to renew their application (even though they were reminded twice.) Please see attached document.
2. They did not submit the required Articles of Incorporation with their application.
3. They did not submit the required list of board members with mailing addresses and phone numbers with their application.
4. They did not submit the required "most recent financial yearly financial statement or audit". Naaleh submitted an IRS form 990 for 2020, but no 990 or audit for 2021. (The IRS requires that they file a Form 990 every year, so had to file for 2021.)
5. Naaleh states its request for CDBG funds fits into the Cleveland Heights Master Plan under the section, "Continue to forge partnerships with community groups to directly respond to unique local need." However, on reading this section of the Master Plan there is no relationship between the listed detailed goals and what Naaleh seeks funding for.
6. There is conflicting information about the Executive Director's salary. On the current CDBG application the salary is listed as \$120,000. On the IRS form 990 for 2020, the salary is listed as \$84,996.

In light of these compliance problems and deficiencies, it seems inappropriate (illegal?) that this organization would be given Cleveland Heights CDBG funds.

I understand that it can be uncomfortable to refuse this organization, but simply because Naaleh was given funds before does not mean that it is entitled to funds in perpetuity, as long as they ask.

The worthiness of this organization is not in question nor is that relevant to the CDBG decision. The issues are the lack of compliance and problems with application, and the complete lack of fit with the City's Master Plan.

I ask that you do not approve funding Naaleh for 2023.

Response #1:

Organizations that serve low- and moderate-income residents of Cleveland Heights are not required to be physically located in Cleveland Heights in order to be eligible for CDBG assistance. In compliance with 24 CFR 570.309, the City has determined that the activity is necessary to further the purposes of the Act, the City's community development objectives, and that reasonable benefits from the activity will accrue to Cleveland Heights residents.

In regards to the on-hold status with the Ohio Secretary of State which has been resolved, the City had verified that the organization was and is registered as a 501(c)3 with the IRS. While the on-hold status does not prohibit the award of grant funds, the City did and will refrain from contracting with any organization whose registration with the Ohio Secretary of State is not active.

In regards to the lack of submitted Articles of Incorporation and the phone numbers and addresses of their board members, the Articles of Incorporation have been received. The City did not request that board member addresses and phone numbers be submitted due to the fact that very few applicants included this and the purpose of the listing is to determine if there are any conflicts of interest and the submitted list was sufficient for this purpose.

The submittal of a financial statement or audit is an optional accompanying document for the application.

In regards to the City's Master Plan, Master Plans are never exhaustive in their prescriptions for community interventions. While mental health services are not specifically identified in the Master Plan, the activity is still in line with the broad goals included in the plan.

Lastly, the City does not dictate the salary of leadership in their partner organizations as long as they are in compliance with all Federal requirements, statutes and executive orders.

Comment #2

Please let me know what the process is following the submission of citizen comments about the recent notice related to the city's CDBG program and its activities.

What happens to those comments and will the city respond to those

comments in some way? If the city is required to respond, how will the city do so?

I would also appreciate being told just where I might actually see the notice the city was required by HUD to post regarding this; since I could not find it on the city web site nor find it in any news print.

I have to alert you to the fact that a citizen informed me they had been told by the Chair of the Citizens Advisory Committee, who is an employee of FutureHeights, an CDBG applicant and awardee, that the period for submitting comments had ended 30 days the Thursday after the CAC had voted on 10/25/22; which is quite untrue. According to her, the citizen commentary period ended December 1, 2022, when in fact the citizen commentary ended (based on Mr. Iorio's statements at the Council Committee of the Whole Meeting on 11/21/22) 30 days after December 2, 2022.

I find it truly troubling that this individual - who works for the agency shown favoritism that is counter to HUD national objectives, guidelines, and recommendations in my own complaint - is misrepresenting the facts related to citizen commentary about the city's CDBG program in a manner that denies citizens the opportunity to make comment which is their right.

Response #2

The City placed a public notice in the Sun Press on December 15, 2022. The public notice listed the public comment period (December 16, 2022 through January 18, 2023). Public comments are included in the Annual Action Plan that is submitted to City Council and HUD. Comments that are rejected are also summarized in the Annual Action Plan and the reason for their rejection is made.

In regards to the alleged conflict of interest, the subject CAC member has been completely transparent about their role at the partner organization and did not vote on any funding recommendations for this organization.

RESOLUTION NO. 050-2023(PD), *Second
Reading*

By Mayor Seren

A Resolution authorizing the Mayor to submit the Community Development Block Grant entitlement application for the year beginning January 1, 2023; and declaring the necessity that this legislation become immediately effective as an emergency measure.

WHEREAS, the City has participated, and does now participate, in the Community Development Block Grant program; and

WHEREAS, the receipt of such funds has been extremely helpful to this City in accomplishing its goals; and

WHEREAS, the City has conducted hearings and has participated in extensive discussions with the Citizens Advisory Committee and citizens relative to the activities to be accomplished in the forty-ninth year of such program.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Cleveland Heights, Ohio, that:

SECTION 1. The Mayor be, and he is hereby, authorized to file with the Department of Housing and Urban Development of the United States Government and any required review agencies, for the program year beginning on January 1, 2023, and continuing for a one (1) year period thereafter, the Community Development Block Grant entitlement submittal, a copy of which is on file with the Clerk of Council and copies of which will have been reviewed by members of Council. A copy of the forty-ninth year proposed budget, attached hereto as Exhibit A, is presently on file with the Clerk of Council and describes the activities and the proposed amount of expenditures to be approved by this Council for each such activity during the year 2023.

SECTION 2. The Mayor is further authorized and directed to sign any and all forms, applications, or other documents necessary to obtain funding for these described programs, to submit such documents to the proper reviewing agencies within the time permitted by law and to enter into contract with the subrecipient organizations of Community Development Block Grant funds as detailed in Exhibit A and in the 2023 Annual Action Plan.

SECTION 3. The Mayor be, and he is hereby, further authorized to file with HUD and any required reviewing agencies the Annual Action Plan for 2023, a copy of which was made available for review beginning on December 15, 2022, on the City's website and in the Cleveland Heights Planning Department for at least thirty (30) days.

RESOLUTION NO. 050-2023(PD)

SECTION 4. Notice of the passage of this Resolution shall be given by publishing the title and abstract of its contents, prepared by the Director of Law, once in one newspaper of general circulation in the City of Cleveland Heights.

SECTION 5. It is necessary that this Resolution become immediately effective as an emergency measure necessary for the preservation of the public peace, health and safety of the inhabitants of the City of Cleveland Heights, such emergency being to permit immediate filing of the described applications with all appropriate governmental agencies in order to ensure funding prior to the commencement of the program year. Wherefore, provided it receives the affirmative vote of five or more of the members elected or appointed to this Council, this Resolution shall take effect and be in force immediately upon its passage; otherwise, it shall take effect and be in force from and after the earliest time allowed by law.

RESOLUTION NO. 052-2023(MSES), *Second Reading*

By Mayor Seren

A Resolution authorizing participation in the ODOT Cooperative Purchasing Program for road salt for the 2023-24 winter season; and declaring the necessity that this legislation become immediately effective as an emergency measure.

WHEREAS, the City of Cleveland Heights (hereinafter referred to as the "Political Subdivision") hereby submits this written agreement to participate in the Ohio Department of Transportation's (ODOT) annual road salt bid in accordance with Ohio Revised Code 5513.01(B) and hereby agrees to all of the following terms and conditions in its participation of the ODOT road salt contract:

- a. The Political Subdivision hereby agrees to be bound by all terms and conditions established by ODOT in the road salt contract and acknowledges that upon award of the contract by the Director of ODOT it shall be bound by all such terms and conditions included in the contract; and
- b. The Political Subdivision hereby acknowledges that upon the Director of ODOT's signing of the road salt contract, it shall effectively form a contract between the awarded salt supplier and the Political Subdivision; and
- c. The Political Subdivision agrees to be solely responsible for resolving all claims or disputes arising out of its participation in the ODOT road salt contract and agrees to hold the Department of Transportation harmless for any claims, actions, expenses, or other damages arising out of the Political Subdivision's participation in the road salt contract; and
- d. The Political Subdivision's order for Sodium Chloride (Road Salt) will be the amount the Political Subdivision agrees to purchase from its awarded salt supplier at the delivered bid price per ton awarded by the Director of ODOT; and
- e. The Political Subdivision hereby agrees to purchase a minimum of 90% of its electronically submitted salt quantities from its awarded salt supplier during the contract's effective period; and
- f. The Political Subdivision hereby agrees to place orders with and directly pay the awarded salt supplier on a net 30 basis for all road salt it receives pursuant to ODOT salt contract; and
- g. The Political Subdivision acknowledges that should it wish to rescind this participation agreement it will do so by written, emailed request by no later than

RESOLUTION NO. 052-2023(MSES)

Friday, April 28 by 12:00 p.m. The written, emailed request to rescind this participation agreement must be received by the ODOT Office of Contract Sales, Purchasing Section email: Contracts.Purchasing@dot.ohio.gov by the deadline. The Department, upon receipt, will respond that it has received the request and that it has effectively removed the Political Subdivision's participation request. Furthermore, it is the sole responsibility of the Political Subdivision to ensure ODOT has received this participation agreement as well as the receipt of any request to rescind this participation agreement. The Department shall not be held responsible or liable for failure to receive a Political Subdivision's participation agreement and/or a Political Subdivision's request to rescind its participation agreement.

WHEREAS, Section 171.10 of the Cleveland Heights Codified Ordinances authorizes the purchase of machinery, materials, supplies, and other articles through the ODOT Cooperative Purchasing Program without obtaining competitive bids; and

WHEREAS, this Council has determined that it would be in the City and its residents' best interests to authorize the purchase of rock salt through ODOT's Cooperative Purchasing Program at a price lower than likely could be obtained through bidding.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Cleveland Heights, Ohio, that:

SECTION 1. The Mayor is hereby authorized to execute any and all documents needed in connection with the participation agreement for the ODOT road salt contract. The participation agreement is hereby approved, funding has been authorized, and the Political Subdivision agrees to the above terms and conditions regarding participation in the ODOT salt contract:

SECTION 2. Notice of the passage of this Resolution shall be given by publishing the title and abstract of its contents, prepared by the Director of Law, once in one newspaper of general circulation in the City of Cleveland Heights.

SECTION 3. It is necessary that this Resolution become immediately effective as an emergency measure necessary for the preservation of the public peace, health and safety of the inhabitants of the City of Cleveland Heights, such emergency being the need to timely meet the ODOT deadline to submit an electronic form and resolution. Wherefore, provided it receives the affirmative vote of five or more of the members elected or appointed to this Council, this Resolution shall take effect and be in force immediately upon its passage; otherwise, it shall take effect and be in force from and after the earliest time allowed by law.

RESOLUTION NO. 054-2023(HB), *Second Reading*

By Council Member Cuda, President Hart, Vice President Cobb, Councilor Larson, Councilwoman Russell, Councilwoman Boyd, Councilman Mattox and Mayor Seren

A Resolution expressing this Council's support of Ohio Senate Bill 36 which requires that prospective owner-occupants and specified non-profit housing organizations be permitted to match winning bids at Sheriff's Sales for the purchase of one- to four-unit foreclosed residential properties; and declaring the necessity that this legislation become immediately effective as an emergency measure.

WHEREAS, increasing numbers of 1-4 unit residential properties nationwide are being purchased by investors, who are often out of state, which results in higher rents and less home ownership; and

WHEREAS, the Vacant and Abandoned Property Action Committee of Cleveland ("VAPAC") has determined that in the eastern suburbs of Cuyahoga County rents have increased by 59% over the past twenty years while income has risen only 20%, and that LLC residential property purchases have nearly doubled in the past 18 years; and

WHEREAS, Senate Bill 36, introduced in 2023, permits prospective owner-occupants and non-profit organizations whose primary activity is the development and preservation of affordable housing to submit a bid after a foreclosure sheriff's sale of a 1-4 family dwelling house has taken place under specified conditions; and

WHEREAS, such proposed bill would support owner-occupancy of residential properties in the City and promote affordable housing, and be of benefit to the City of Cleveland Heights and its residents.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Cleveland Heights, Ohio, that:

SECTION 1. This Council strongly supports Ohio Senate Bill 36, as it believes its as it believes it will promote owner-occupancy of residential properties and assist in the provision of affordable housing.

SECTION 2. The Clerk of Council is directed to forward a copy of this Resolution to Governor Mike DeWine, SB 36's sponsor State Senator Louis W. Blessing, III, District 21 State Senator Kent Smith, and District 22 Representative Juanita Brent.

RESOLUTION NO. 054-2023(HB)

SECTION 3. Notice of passage of this Resolution shall be given by publishing the title and abstract of its contents, prepared by the Director of Law, once in one newspaper of general circulation in the City of Cleveland Heights.

SECTION 4. It is necessary that this Resolution become immediately effective as an emergency measure necessary for the preservation of the public peace, health and safety of the inhabitants of the City of Cleveland Heights, such emergency being the need to address the current affordable housing crisis. Wherefore, provided it receives the affirmative vote of five or more of the members elected or appointed to this Council, this Resolution shall take effect and be in force immediately upon its passage; otherwise, it shall take effect and be in force from and after the earliest time allowed by law.
