Executive Order EO2023-002

May 3, 2023

Re: Participating in No Mow May 2023 in the City of Cleveland Heights; suspending related code enforcement and reducing mowing of public properties

This month the City of Cleveland Heights is participating in No-Mow May. Through the month of May, except in the case of a clear health or safety concern, enforcement activities related to Section 553.01(a)(2) of the Codified Ordinances of the City of Cleveland Heights (violations for tall grass) will be suspended.

The City will also restrict mowing on public properties and roadway medians to only those instances where a health and safety concern must be addressed, such as mowing a visibility strip around the perimeter of a median to ensure a safer driving environment.

Mayor Kahlil Seren
