Property of Interest

Address: *3270 Desota Ave, Cleveland Heights, OH 44118*

Describe the existing use at the site (e.g., retail, office, restaurant, warehouse, vacant, etc.):

Residential house

Development Proposal – What are you trying to do?

Description of proposed project or proposal. Please be as specific as possible. Please attach any additional information, description, photos, etc. as needed to explain the proposal to the back of this form as needed.

Plan to demolish the damaged existing garage as specified in the Point of Sale inspection.

The space will be used as a parking spot as needed, and in the future will plan to build another garage after obtaining a city permit. I estimate that the new garage will be built in one to two years.

(S)

(N)

Desoto ave

Will there be any exterior work completed (e.g., parking lot, building façade, sidewalk, drainage, signage, etc.)? Will there be any interior work completed? Is there any construction proposed, such as demolition or new construction?

Demolition damaged garage

Will the project create additional impervious surface area? An impervious surface is one that does not permit the passage of water (e.g., parking lots, sidewalks, rooftops, etc.)

No

Is any parking currently provided on-site? If so, how many spaces?

Driveway and street parking.

Have you reviewed the Zoning regulations relevant to the site and proposal yet?

Yes

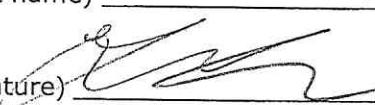

Have you coordinated with the Building Department on any existing or previous building permits and/or Certificates of Occupancy (CO)? Have you reviewed the Building, Fire, and Housing codes for your proposal?

Yes

Have you coordinated with the Housing & Inspections Department on any open code violations?

Yes
