APPLICATION TO THE CLEVELAND HEIGHTS CITY COUNCIL
for the establishment of a
CEDAR-LEE DESIGNATED OUTDOOR REFRESHMENT AREA (DORA)

The Mayor of Cleveland Heights respectfully submits the following application to the Cleveland Heights City Council to approve and enact the Cedar-Lee Designated Outdoor Refreshment Area in accordance with Ohio Revised Code 4301.82.

Mayor Kahlil Seren

I. INTRODUCTION

Section 4301.82 of the Ohio Revised Code (ORC) authorizes municipalities under 50,000 in population to create up to three (3) Designated Outdoor Refreshment Areas (DORAs) up to 320 acres in size. The City of Cleveland Heights is a chartered Ohio municipal corporation with a population of 44,652 (2021). To consider the creation of a DORA, the Mayor of the City of Cleveland Heights is filing this application with the Cleveland Heights City Council, which meets certain statutory requirements. The application filing must be advertised in a newspaper of general circulation. If Council elects to hold a public hearing regarding the application, the date and time of the hearing shall be provided in the public notice of the receipt of the application by Council. Not earlier than 30 days, but not later than 60 days, after the initial publication of the notice, the City Council may approve or disapprove of the application by ordinance or resolution.

In summary, this application for a Cedar-Lee DORA would provide the following:

- a. The DORA would ease or make more accessible outdoor dining in front of liquor permit holding establishments. It would allow such establishments to serve alcoholic beverages in a plastic cup pursuant to the law within a designated area during certain hours. Signage, sanitation, and safety requirements would be established by permits issued by the City as described in subsequent sections below.
- b. The DORA would provide the ability for individuals to walk within the DORA boundaries with an alcoholic beverage purchased from a liquor permit holding establishment during permitted periods. Creation of the DORA would enable residents and visitors to Cedar-Lee to enjoy alcoholic beverages at designated indoor and outdoor spots throughout the business district in a safe and regulated manner.

Many cities throughout Ohio have realized measurable benefits with the implementation of DORAs. Cedar-Lee, as the largest business district in Cleveland Heights, is uniquely positioned as a hub of community activity to capitalize on this opportunity. The Office of the Mayor is confident that the DORA will not only enhance the entertainment and cultural appeal of the Cedar-Lee District as a destination, but it will also serve to enhance the economic appeal of Cleveland Heights. This is particularly true with the advent of The Marquee, a \$60M mixed-use development underway within the District, which will be complete in 2025 bringing hundreds of new residents, retail offerings and a public green space to Cedar-Lee.

II. BOUNDARIES

The boundaries of the Cedar-Lee DORA are depicted in Attachment A.

The proposed boundary is outlined in a solid red line. This area is approximately 17.78 acres in size and includes all sidewalks within or abutting the boundary lines. The boundary would include all alleys and streets not listed as having establishments located on them.

III. SIGNAGE AND OFFICIAL CUP

The City of Cleveland Heights will supply Entrance/Exit signs to the DORA at the major district access points. The number, spacing and type of signage designating the DORA are indicated in Attachment B.

The signage on the left side of this graphic will be prominently displayed at these designated access points, with additional language that no alcoholic beverages are permitted beyond those points, as well as the designated days and hour permitted.

The signage on the right side of the graphic will be displayed at the district establishments to indicate their level of participation. Only approved establishments with appropriate licenses (see Section IV) who choose to participate in the program will be permitted to display the “Purchase DORA Beverages Here” signage.

In accordance with ORC 4301.82(F)(1)(g), beer, wine and intoxicating liquor shall only be consumed within the DORA as follows:

Beer, wine and intoxicating liquor shall be served and consumed in the DORA in specifically designated cups produced and provided by the Cedar Lee Special Improvement District, or other entity designated by the City, (the “Official Cup”). No other container will be permitted. All DORA beverages must be served in a new, unused, Official Cup. Only one (1) Official Cup per person will be permitted in the DORA. Used Official Cups must be disposed of before entering any establishment in the DORA. Official Cups shall hold no more than sixteen (16) fluid ounces and shall be composed of recyclable materials. The Cedar Lee Special Improvement District, or other entity designated by the City, shall supply the Official Cups and offer them to qualifying permit holders for purchase at cost. Each qualifying permit holder shall attach a fee of one dollar (\$1.00) on every DORA beverage sold and accompanied by an Official Cup to help cover costs incurred.

IV. HOURS OF OPERATION

In accordance with ORC 4301.82(F)(1)(c), the hours of operation for the DORA will be as follows:

Monday-Thursday, 4-9pm
Friday, 4-11pm
Saturday, 12-11pm
Sunday, 12-8pm

VII. PUBLIC HEALTH & SAFETY PLAN

In accordance with ORC 4301.82(B)(5) and (F)(1) (d), the proposed requirements for the purpose of ensuring public health and safety within the DORA shall include the following:

City of Cleveland Heights DORA Safety Plan:

The Safety Plan will help maintain public safety within the DORA and designate the number of personnel needed to execute the Safety Plan. This will be accomplished in the following manner:

Current Public Safety personnel are adequate to maintain public safety within the DORA district. The City of Cleveland Heights Police Department (CHPD) currently has scheduled shifts which will enable it to maintain public safety within the DORA. CHPD has flexibility when deploying resources and has years of experience dealing with Cleveland Heights and Cedar-Lee events, such as Music Hop and Candy Crawl/Halloween Festival and other individual bar/venue events which draw large crowds throughout the year.

Public Safety staffing for the DORA would consist of the following:

1. Use of currently scheduled shifts of CHPD, giving them the ability to actively patrol the DORA and have a visible presence in the assigned area.
2. During pre-planned or known special events that will increase the activity in the DORA area, the CHPD will seek organizations involved with the events to help supplement the manning needed to effectively police the DORA area. CHPD will seek payment from such organizations for extra duty officer(s) as needed. The officer(s) primary responsibility would be the core business district where the DORA is located.
3. All Supervisors of Officers in Charge have the flexibility to call in additional staffing for emergency situations or if large crowds start to get out of control.

Beginning with the commencement of the DORA and continuing for a period of three (3) consecutive months, the Mayor of Cleveland Heights and the CHPD Chief of Police shall meet monthly to review the Safety Plan herein. The purpose of this meeting will be to determine whether updates, modifications, or supplementation may be advisable or required; and, in said event, such changes shall be presented to the Cleveland Heights City Council for consideration and implementation. At the end of the three-month pilot phase, Cleveland Heights City Council will have the option to continue or discontinue the DORA.

Ensuring Compliance with Liquor Laws:

As consumers purchase their first drink on a given day at a qualified permit holder within the DORA, they will be required to provide proof of age for themselves and anyone for whom they are purchasing an alcoholic beverage. The qualified permit holder will provide wristbands for each

person and ensure they are placed on their wrists prior to leaving the establishment. The Cedar Lee Special Improvement District, or other entity designated by the City, will produce and provide wristbands to permit holders for purchase at cost. The wristbands must be worn until leaving the DORA for the day. The presence of the wristbands will assist CHPD in determining that no minors are carrying or consuming alcoholic beverages. Official Cups used for DORA beverages will also display a logo (see Section II). These cups will only be used by those of legal age eligible to wear wristbands that will provide additional visual confirmation for law enforcement.

In accordance with 4301.82(B)(5), additional rules and requirements for the purpose of ensuring public health and safety within the DORA are as follows:

1. Beer, wine, and intoxicating liquor may only be served and consumed in an Official Cup.
2. A person may have in the person's possession one (1) Official Cup of beer, wine or intoxicating liquor at a designated indoor or outdoor location within the DORA, purchased only from a qualified permit holder within the DORA.
3. No person shall enter the premises of an establishment within the DORA while possessing an Official Cup of beer, wine or intoxicating liquor acquired elsewhere.
4. No person shall possess an opened container of beer, wine or intoxicating liquor while being in or on a motor vehicle within the DORA.
5. In addition to all other rights and remedies pursuant to law, qualified permit holders are required to enforce all applicable rules, standards and requirements set forth in this application will constitute a failure to satisfy the public health and safety requirements of the DORA, and shall constitute adequate grounds for the permit holder will lose the privilege to participate as a qualified permit holder.
6. No person shall enter the premises of a non permit-holder establishment that does not allow DORA beverages while possessing an Official Cup containing a DORA beverage.

Special Events:

The City of Cleveland Heights requires that each special event using City property receive a permit from the City. As in the City's practice, each event will be reviewed as required in the Codified Ordinances of the City of Cleveland Heights. Permit requirements may differ between events depending on their size, layout, use of right of way, and program. However, each event will be reviewed to ensure that adequate sanitation, signage and public safety requirements are established. The necessity for portable bathrooms, handicap accessibility, pedestrian mobility, police, fire, and emergency medical ingress and egress, crowds control DORA boundary management and trash management (dumpsters, cans, pickup, etc.) will be addressed. Event organizers may be required to pay for special duty officers or overtime for public service or safety workers in necessary, to ensure adequate health, public and safety requirements. If the special event includes the sale of alcoholic beverages, the event organizers can require that the City suspend the DORA for the duration of the special event.

Amendments and Possible Revocation:

The Mayor, City Staff, and Business District stakeholders will regularly meet to discuss the impacts of the DORA and recommend potential changes to Council including hours and days of operation up to and including the possible revocation of the DORA if its negatives are considered

to outweigh its benefits or if it is no longer considered to be an economic benefit to the City. Cleveland Heights City Council will have the final say in enacting any changes to the DORA.

VIII. SANITATION PLAN

In accordance with ORC 4301.82(B)(5), (F)(1)(e) and (F)(1)(f), the following Sanitation Plan will help maintain the appearance and public health of the DORA as follows:

City of Cleveland Heights Department of Public Works staff would augment as needed the commercial trash collection contracted by the City. Additional permanent trash cans would be installed to collect the DORA cups. Staffing levels, trash cans and recyclable bins would be monitored and adjusted as needed.

The Director of Public Works for the City of Cleveland Heights has determined that the Sanitation Plan described herein is sufficient to help maintain the appearance and public health of the DORA. Attachment B shows the current location of City trash receptacles.
