Department of Finance

The Finance Department serves as the financial advisor to the City, overseeing the monthly and annual financial reports and the annual audit process with independent auditors, as well as the City's RITA and income tax administration. The department works with the administration to develop and submit an annual budget – and proposes budget adjustments to Council. The department processes all payments to vendors and reviews and approves all purchase orders – and administers all aspects of employee payroll, taxes, and pensions. Additionally, the department oversees all human resources functions.
