5. Adjournment
  - a. Next Meeting August 19, 2025

Other: [Regarding Mohammad's request to invite a Leopardo's representative for Q&A session](#)

Catalina,

The City will be conducting an engagement session with our stakeholders on the project, as mentioned at our recent meeting. At this session, a Leopardo representative will be available to speak on the metrics that will inform the monitoring of energy consumption improvements.

As mentioned previously, the City is in the process of finalizing aspects of the LED streetlight retrofit segment of the project with First Energy and Leopardo, which will ensure that the complete project scope is conducted and communicated to our stakeholders.

I'll communicate the date and time with the committee when all parties are ready to proceed.

Thanks.

Andy.
