

Attendance:

Gail Larson (Council), Gayle Lewin (virtual), Chris Brace, Sam Bell, Patrick Crago, Ken Bernard (Planning), Carly Beck (Guest, CESC)

Agenda:

- Complete and Green Streets:
  - Meeting with Dir. Clinkscale and Dir Zamft, plus Ken and Gail, scheduled for Friday 10/31
  - Meeting of Municipal Services meeting on C&GS scheduled for Nov 18th at 6PM
  - Handouts provided to committee: 2025 Accident Report, G&GS Proposed Resurfacing Process
- Severance meeting followup:
  - Committee comments submitted to Ryan Porter & Co, Ryan reports taking feedback and integrating into latest draft of report
- Handicap Sign Replacement - Pat
  - Reports  $\frac{2}{3}$  signs have been restored on Coventry, last sign TBD
- Gail:
  - Sidewalk program:
    - 200k secured for sidewalk program in 2026, working with Dir. Clinkscale of DPW
    - City will use this money to help with sidewalks likely damaged by city trees
    - May also be able to use this money to replace sidewalks during resurfacing of city streets

New business:

- Gayle Lewin:
  - Proposed raised crosswalk near Fairfax Elementary
  - Committee proposed temporary fence in tree lawn at bottom of path as interim measure
  - COMMITTEE VOTE:
    - "To endorse the exploration of a raised crosswalk at Fairfax Elementary, and discussion with the school administration and city administration."
    - In favor: Sam, Chris, Gayle, Pat
    - Opposed: none
- Ken Bernard:
  - Washington Blvd mixed use path is dead in UH, but not CH
    - Traffic study continues on Taylor, esp. around the Hebrew Academy
  - Taylor road TLCI:
    - Phases 1&2 to be bundled, expected date early '28
    - SS4A demo grants still in the works, money not yet disbursed
    - Scheduling for November & December meetings; poll to be sent out
- Sam:
  - Cedar road by Ascent: road markings still not reapplied, faded
- Carly:

- RRFBs on Coventry are always lit, in defiance of normal standard for those. Will follow up with MAC directly by email to see if they can be adjusted / fixed.
- Chris:
  - Caledonia roundabout: still waiting to hear back from Clinkscale about next steps.

NOTES:

Traffic calming with traffic cameras. Look for info sent to us.

Annual report presentation.

Fern will help
