UPDATES

Communications and Outreach

- Staff had three very successful Saturdays selling “All are Welcome” merchandize at the Zagara’s lobby. Residents were very appreciative to be able to purchase items and expressed positive feelings about the campaign. A percentage of the funds collected were delivered to the Heights Emergency Food Center on December 22.
- Staff met to begin preparations for the City’s 100th Birthday in August 2021. Hopefully health restrictions will be lifted and a celebration (possibly a parade) will be held at the Community Center. A time capsule was buried for the 75th celebration and that may be added as well for the 100th.

Economic Development:

- Neighborhood Redevelopment Program (NRP) Phase I:
An RFQ/RFP to attract qualified development firms for infill housing construction was issued on 10/8/2020 with responses due by 12/11/2020. The project includes proposed construction on 42 vacant lots (24% of the City's vacant lots) in the Noble Neighborhood Area (NelaView, Greyton Road, Dresden/Hanover) and on Desota Blvd.; We are pleased to report that three (3) proposals were received and are under review; The Economic Development Department has prepared an outline to move forward with interviews of these firms in January.
- Neighborhood Redevelopment Program (NRP) Phase II:
A Letter of Intent (LOI) between the City and our CDC partner FutureHeights has been executed, which defines the roles of the parties going forward with this project. The project involves a potential infill housing construction project with Developer KNEZ, comprised of 20 vacant City-owned lots (with 6 of these lots comprising Phase I of the project) in the "Center/Mid-City" area of the community – roughly from Taylor Road to Cottage Grove Drive south of Washington Blvd. (east, west and south of the high school). The next step is for the City & FH to reach out to KNEZ with a request for a specific development proposal from them. An Draft RFP has been prepared by the Economic Development Department and sent to FH for their review and comment.
- Cedar-Lee-Meadowbrook Redevelopment Site:
ED Staff issued an RFQ/RFP to developers on 10/22/2020 redevelopment of this site, with the deadline for submitting proposals being 12/30/2020 – the initial response from developers opening the RFQ/RFP has indicated strong interest in this project.

Police

- On December 19, 2020, around 12:10 am an aggravated robbery was reported at 1513 Parkhill. The resident was rearranging the vehicles in his driveway when a red 4-door sedan pulled up and four males exited the vehicle and demanded the victim's car keys. One of the suspects brandished a handgun. The victim told the suspects the keys were in the vehicle. Two of suspects got into the victim's vehicle while the other two got back into the red sedan. Both vehicles they drove away. Officers checked the area but could not locate either vehicle. The victim's vehicle, a black 2013 Mercedes has not yet been recovered.
- On December 19, 2020, around 8:45 pm officers responded to a report of shots fired into the house at 798 Woodview. None of the residents inside were injured. There are no suspects. Detectives are investigating.

- On December 28, 2020, around 4:14 am a 30-year-old man was shot inside the residence at 3224 Berkeley Road. The victim, who was shot three times, is currently being treated at an area hospital and his condition is serious. Officers responded to the area of this residence twice early in the morning; once for a report of shots fired and a second time for males fighting. Both times when officers responded they were unable to determine what occurred due to a lack of cooperation from the residents. In the first incident of shots fired, a silver vehicle was seen leaving the area. The driver of that vehicle was subsequently located and arrested a short time later. In the second shooting, a red vehicle was seen fleeing the area. It is not known at this time if these incidents are related. Detectives are investigating.
- On December 28, 2020, around 10:34 am officers responded to a report of a male lying in the driveway at 13117 Cedar Road. Upon arrival officers found the adult male in the driveway was deceased. It was learned that he is a resident of the group home and his bedroom is on the second floor. The window of this bedroom was found to be broken and bloody. Detectives are investigating.
- There are also a few updates to provide on previous incidents:
- Two suspects have been identified in the murder of Malik Moore on September 12, 2020, on Oakdale. One suspect, Quincy Hubbard, was located and apprehended on December 11, 2020 and is charged with Aggravated Murder. He is currently being held on a \$500,000 cash/surety bond at the County Jail. The second suspect has not been apprehended yet but a warrant has been issued for his arrest for Aggravated Murder. We are actively looking for the suspect.
- The suspect in the shooting at 1483 Crest on November 21, 2020, has been identified as 31-year-old Ryan Fowler. A warrant has been issued him for Felonious Assault and we are actively looking for him.
