## Cleveland Heights Celebrates 100 Years!

In 1921 Cleveland Heights was established as a city. From our early days, diversity and creativity have been cherished traits. People of all races, religions and economic backgrounds have always been welcomed. A strong sense of community so often differentiates us from other cities. Whether it was fighting to protect Shaker Lakes from being paved over to become a highway or being one of the first cities to honor domestic partners, Cleveland Heights remains a unique and progressive place to live. Stay tuned for special activities to be announced to celebrate our Centennial. For more information go to [www.ClevelandHeights100.com](http://www.ClevelandHeights100.com).

## MetroHealth Expansion

MetroHealth announced late last year their plans to expand its Severance Circle location. This will be a \$42 million expansion adding 96,000 square feet and 110 new treatment beds primarily for inpatient behavioral and addiction treatment. This expansion will serve Cleveland Heights and neighboring communities and could catalyze further development of the Severance area.

### All Are Welcome

Last year the City launched the "All Are Welcome" campaign to help position Cleveland Heights as the destination of choice to live, play, and to start a business. The effort included advertising around the region. You may have seen one of the bus wraps on RTA buses enticing people to come, eat and shop in Cleveland Heights.

Or you may have heard Cleveland Heights touted on NPR as a special, unique, diverse community. Digital ads were also positioned in "competitive" areas like University Circle, Lakewood and Ohio City. The campaign launch plus the holiday campaign generated more than eight million impressions and many positive comments from around the region. The campaign began with an upbeat video demonstrating what makes our community a desirable place. If you haven't watched the video yet, you can view it on our website at [www.clevelandheights.com/AllAreWelcome](http://www.clevelandheights.com/AllAreWelcome).

All are  
welcome.

### Construction on The Ascent at Top of the Hill mixed-use development project continues to move forward.

At this time, key project construction elements remain either on, or ahead of, schedule. Work on the parking garage and all buildings continues as walls and decks are being installed, and utility installation is proceeding. The City is working closely with all residential and commercial neighbors of the project to mitigate any impacts of construction. The project is a single-phase development. Construction began in May of 2020 and is anticipated to be completed during the first half of 2022.

## Meet Your Police

Meet Your Police takes place virtually the first Thursday of each month. We encourage residents to contact us by phone at 1-415-655-0001, Access code 643 740 227, to discuss any concerns or questions anyone may have for the Police Department. If you are unable to participate, residents can email [myp@clvhts.com](mailto:myp@clvhts.com) to ask questions or request information.

## Filing a Police Report

Minor incidents or crimes can be reported online, through the Report A Crime page ([www.clevelandheights.com/Report-A-Crime](http://www.clevelandheights.com/Report-A-Crime)). The online form can be downloaded. Once completed, the form should be emailed to [oic@clvhts.com](mailto:oic@clvhts.com). The report will be reviewed by a supervisor and assigned an incident number, which will be provided to the person filing the report. If additional follow-up is needed, an officer will contact the person directly either by email or phone. As always, please call 216-291-1234 if a problem or incident is currently occurring. Citizens with questions as to whether their concerns can be resolved without having to come to the Police Department or have an officer come to their home, are encouraged to contact the Police Department directly at 216-291-4619 or email [myp@clvhts.com](mailto:myp@clvhts.com).

## Copies of Police Reports

Requests for copies of police reports can be emailed to [policereports@clvhts.com](mailto:policereports@clvhts.com), faxed to 216-291-2456 or phoned in to 216-291-4737. All other public records requests should be directed to the Law Department, [LawPRR@clvhts.com](mailto:LawPRR@clvhts.com).

## Overnight Parking Request

As a reminder, parking is not permitted on Cleveland Heights streets between 3:00am and 6:00am. Residents can request overnight parking by going online to [www.frontlinepss.com/chpd](http://www.frontlinepss.com/chpd). This does not include permission to park in municipal lots, private property, prohibited zones, rush-hour lanes or for any other restriction by posted signs. There is a maximum of nine requests per month, and a restriction of 36 requests per year. Any driveway repair taking longer than 3 days requires contacting the Police Department directly at 216-291-4619. Requests must be submitted before 3:00am to obtain permission.

## Away-From-Home Form

The Cleveland Heights Police Department can keep an eye out on your residence while you are away from home for a short period of time. Just go to [www.clevelandheights.com/away-from-home](http://www.clevelandheights.com/away-from-home), fill out the form and submit it online. Or you can download the form and email it to [oic@clvhts.com](mailto:oic@clvhts.com).

With the submission of this form, the Police Department will conduct periodic security checks for those residents who have no one staying or checking on their home. This form is solely for occupied homes that will be unoccupied for a short time due to vacation or work travel.

### Community Shredding Days 6/19 & 10/16

Don't risk throwing it away! Bring your old financial statements, receipts, invoices or other personal, unwanted documents to be shredded on site. Limit of 10 boxes per person. To answer the demand, two shredding trucks have been contracted for June 19. 9:00am-12:00 noon each date  
Cleveland Heights City Hall, Parking Lot 40 Severance Circle  
Questions? Email [publicrelations@clvhts.com](mailto:publicrelations@clvhts.com) or call 216-291-2323.

### Building Department

Be sure the contractor is registered with the City of Cleveland Heights Building Department. The contractor is responsible to obtain a permit for whatever work is being done. Visit [www.clevelandheights.com/building-permits](http://www.clevelandheights.com/building-permits) for more information.

### Fire Hydrant Flushing

The Fire Department will be flushing fire hydrants throughout the community beginning Monday, April 5. This activity will last through May. Check your water daily for rust before drinking or washing clothes. Rust remover will be available at Fire Station #1, 3445 Mayfield Road.

# AT YOUR SERVICE

## Refuse & Recycling is Going Automated in Cleveland Heights in 2021

Based on overwhelming positive input from our residents, Cleveland Heights City Council voted unanimously in November of 2020 to convert from manual curbside refuse and recycling collection to automated curbside collection. This up-to-date, modern collection service will continue to be performed by in-house personnel as recommended by the Council-appointed Refuse and Recycling Task Force. The Task Force studied the City's current collection system for a year prior to making a recommendation to Council. The City also engaged a consultant to perform a solid waste collection rate analysis over six months to determine how to make the transition to this new service at the most economical cost to residents. City Council approved a ten-year incremental fee increase to fund this transition over time beginning April 1: residents' sanitation fees will increase initially to \$16.17; those who qualify for homestead exemption will pay \$7.67. The funding allows for the acquisition of equipment, supplies and other upgrades necessary for this change.

The conversion is already underway, and project roll-out is expected to be completed by October of this year. The current fleet of collection vehicles will be replaced with new "automated" vehicles capable of mechanically picking up a collection cart set out at the curb and tipping it into a

hopper on the front of the truck. Each residential household will receive one refuse and one recycling cart. Smaller/senior households will have an option to select a smaller refuse cart, and larger households will have the option to purchase an additional cart if needed. Upgrades include the purchase of six automated collection vehicles; five lighter aluminum semi-trailers that are utilized for hauling refuse to the landfill and recycling to the Materials Recovery Facility (MRF); three semi tractors; structural upgrades to the city's transfer station; and resident education and outreach for the new collection process.

Due to the increased efficiency of automated collection, the current daily collection routes for refuse & recycling will be reduced from five refuse routes to four, and three recycling routes to two. **Based on these improvements, your collection day may change.** Check [www.clevelandheights.com/refuse](http://www.clevelandheights.com/refuse) for updates.

The City will be rolling out a robust information and education campaign in the coming months. To stay up to date with the latest information and news, be sure to check your mail, utility bill messages, social media, and sign-up for weekly Cleveland Heights email news updates at [www.clevelandheights.com/enews](http://www.clevelandheights.com/enews).

### Holiday Collection Schedule

Please note there is never a refuse collection on Sunday.

### Memorial Day

Monday, May 31 is Memorial Day. Monday collection will be on Tuesday, Tuesday collection will be on Wednesday, Wednesday collection will be on Thursday, Thursday collection will be on Friday, and Friday collection will be on Saturday.

## CLEVELAND HEIGHTS REFUSE & RECYCLING IS GOING AUTOMATED IN 2021

**This is an Early Notification - More information will be provided in the coming months**

### IMPORTANT INFORMATION

Each residential unit will be provided with a 96-gallon refuse & a 65-gallon recycling cart

Project Rollout is expected to be complete by October 2021

Senior households will have an option to request a smaller 65-gallon refuse cart

Larger households will have an option to purchase an additional 96-gallon refuse cart

More information on cart options will follow in the coming months

# AT YOUR SERVICE

## Bulk Pick-up

Bulk items will be picked up once per month during the **first FULL week of each month** on the resident's regular trash day. Bulk is limited to four (4) items per pick-up and any fabric item must be wrapped in plastic. If there are more than four items or if the bulk pick-up needs to occur on a day that is different than the regularly scheduled day, please call 216-291-5995 to schedule a special pick-up; there is an additional fee. **MOVE OUTS AND CONSTRUCTION MATERIAL WILL NOT BE PICKED UP.** For details about bulk item preparation, go to [www.clevelandheights.com/Large-Or-Bulk-Items](http://www.clevelandheights.com/Large-Or-Bulk-Items).

## YARD WASTE RECYCLING

**Loose leaf collection will run from April 5 through April 30.** During this period, leaves can be swept to the tree lawn for collection. Please visit [www.clevelandheights.com/Leaf-Collection](http://www.clevelandheights.com/Leaf-Collection) to see when we will be on your street. However, after April 30, the following methods of preparation **must** be followed to ensure collection.

**Leaves, weeds, grass and small twigs** must be placed in a Kraft paper yard bag weighing less than 40 pounds each. Kraft bags will be collected on your regular refuse collection day beginning May 3. There is a ten (10) bag limit per collection. Bags containing other material will not be collected.

**Branches and limbs** should not exceed 4-foot lengths and no more than three inches in diameter. Branches and limbs, should be bundled with string/twine and weigh less than 40 pounds per bundle. Items that do not adhere to these rules will not be picked up.

**Small logs** must be cut in lengths of no more than 18 inches and no more than six inches in diameter. Please stack logs in a pile for collection. *Please note that weight limits are established in the interest of employees' safety and are strictly enforced.*

## Tree Lawn Planting

Each spring and fall, the Forestry Division plants trees on tree lawns for property owners who request it. Those interested in this service can call the Service Department at 216-691-7300.

## Arbor Day is April 30

The City is planting trees at 10:00am at the Community Garden (corner of Noble and Roanoke) in honor of Arbor Day.

**Heights Tree People** is a group of local residents dedicated to renewing the tree canopy in the Heights. They supply and plant trees for free in people's front yards.

In February 2018, some friends who love trees got together to talk about planting trees in the Heights. Many were Tree Stewards trained by Western Reserve Land Conservancy and Holden Forests and Gardens. Some had attended Ohio Department of Natural Resource's Tree Commission Academy and pruning classes. They included landscape designers, a family that had funded local tree planting for decades, two medical doctors, and people with a deep spiritual connection to the Earth who could hear a cry for more trees.

In two years this group of friends has planted 400 trees in the Heights area.

"Trees Are The Answer" to what question? Their multiple benefits are extensive and varied. Neighborhoods with trees are safer. All stress-related diseases, including heart disease and stroke, are reduced when people live with trees. Tired of potholes? Plant trees! Their shade cools the pavement, extending the life of roads. Want neighborhood connection? Plant trees! People visit with their neighbors

more when they have shade. Reduce your electric bill by planting a shade tree to the south or west of your house. Climate scientists are asking us collectively around the globe to plant 1,000,000,000 trees to reduce climate change.

Perhaps most importantly, trees are beautiful: amazing in their architecture, variety of colors, textures, height and functions. People are happier and healthier when we live with trees; they civilize us.

"What an amazing group of people," says Judie Bernstein after Heights Tree People planted a tree in her yard. "They do this out of the goodness of their hearts and desire to help the environment."

The two best seasons for planting trees are spring and fall. Heights Tree People takes requests for trees year-round, spreading out the work and increasing their ability to plan.

FutureHeights is the fiscal agent for the group. While Heights Tree People plants trees for free, many residents are so grateful they want to give something to help "pay it forward," allowing the program to continue planting more trees in their neighbors' yards.

Contact Heights Tree People now to be on the list for spring planting by emailing [heightstreepeople@gmail.com](mailto:heightstreepeople@gmail.com)

## WE ARE NOBLE: MAY 21-23

We Are Noble 2021, the celebration of the people and places in the Noble neighborhood, will take place May 21-23, 2021. In 2020, Noble residents found creative ways to express support for each other in the early months of coronavirus lifestyle changes. Residents and businesses decorated windows, donated to the Start Right Hunger Center, and worked to spruce up the area. Again in 2021, Noble residents will monitor the virus contagion to plan a condition-sensitive celebration. Check the website, **NobleNeighbors.com** to watch plans unfold in May.

### Plant extra this spring

Calling all gardeners! This spring, plant a few extra veggies, fruit and flowers. Bring your bounty to Noble Gardeners' Market on Saturday mornings in August and September to sell to your neighbors. Only fresh fruits, vegetables and flowers may be sold, no processed food. Sellers are not charged for market space and may join the market for a few weeks or the whole eight-week season. NGM is an essential business and follows Ohio's guidelines for coronavirus safety. For more information, go to **[www.nobleneighbors.com/2020-noble-gardeners-market](http://www.nobleneighbors.com/2020-noble-gardeners-market)**.

## HOME REPAIR RESOURCE CENTER

Home Repair Resource Center is Cleveland Heights' one-stop shop for all stages of the home-owning process. HRRC continues their commitment to city residents with a full schedule of virtual workshops and seminars throughout 2021.

Monday, April 12 brings the "Switches & Outlets" workshop, which helps take the fear out of working with electricity. In the process residents will learn how to cut and strip electrical wire and how to properly re-wire receptacles. Stay up-to-date with the agency's schedule of classes at **[www.hrrc-ch.org](http://www.hrrc-ch.org)**.

In addition to assistance for homeowners, HRRC has programs available for those planning to buy a home as well. Their monthly Homebuyer Education series is a four-part, all-encompassing program that covers the complex steps in purchasing a home.

Home Repair Resource Center is located at 2520 Noble Rd. To register for any of their classes, become a member of the Tool Library, or to make an appointment to speak with a helpful staff member, contact 216-381-6100 or visit them at **[www.hrrc-ch.org](http://www.hrrc-ch.org)**.

## HELP WITH HOME REPAIRS

Hope does Spring eternal and the City's Housing Preservation Office may have just the program you're looking for to help with those home improvements and repairs!

### Get the Lead Out

The City of Cleveland Heights, in partnership the Cuyahoga County Board of Health and the Department of Development, wants to help make homes lead safe. Many homes built before 1978 contain lead-based paint. Grants up to \$9500 are available to those meeting household income limits for such items as new windows, doors, painting and other repairs. Minimum homeowner contribution is 10% of the project cost and to qualify, you must have children ages 5 years or younger in the home.

### Deferred Loan/No Interest Loan/Exterior Paint & Violation Repair Grants

Cleveland Heights homeowners age 62 and older, or permanently disabled, are eligible for loans and grants that can really help keep their home looking and running well. These programs can provide improvements for items such as new roofs, windows (lead remediation), heating/cooling systems, plumbing, electrical, carpentry repairs, new kitchens, and baths. The maximum exterior paint grant is \$3500 to prepare/paint the house and garage, if paint costs exceed \$3500, the homeowner must pay the difference. The violation repair program provides assistance or correction of exterior violations; homeowners are eligible for a maximum benefit of \$1000 with a maximum lifetime benefit of \$3000.

The homeowner must be current on property taxes and have a total household income that does not exceed the Year 2020 federal income guidelines (subject to change): 1 person \$42,600; 2 persons \$48,650; 3 persons \$54,750; 4 persons \$60,800.

All of these programs are federally funded and have application income and home equity requirements. For more information, call Lori Sanford of the Housing Preservation Office at 216-291-4869.

### Discussions

#### Cedar-Coventry Author Series on Zoom

The popular local author series is back in partnership with Mac’s Backs Books on Coventry at 7:00pm.

Thursday, April 15: Local sci-fi authors Marie Vibbert and Doug Henderson both share their latest books in a two-fer book night. Vibbert reads from *Galactic Hell Cats*, her newly-released science fiction novel that one reviewer described as “a fun romp around found family and finding your place in the Universe.” Henderson reads from his new novel, *The Cleveland Heights LGBT Sci-Fi and Fantasy Role Playing Club*. Set in part in the hipster neighborhood of Coventry Road, a group of friends engage in a role-playing club that interweaves with their “real” lives in unexpected ways.

May: Check [heightslibrary.org](https://heightslibrary.org) for details about our May local author event. Register at [heightslibrary.org](https://heightslibrary.org).

#### Murder between the Pages on Zoom

Tuesdays, 7:00pm

Join us for a true crime book discussion, brought to you in partnership with Mac’s Backs. Borrow the book or buy from Mac’s Backs at 20% off. Register at [heightslibrary.org](https://heightslibrary.org).

April 13: *Gone at Midnight: The Tragic True Story Behind the Unsolved Internet Sensation* by Jake Anderson

May 11: *Hunting the Unabomber: The FBI, Ted Kaczynski, and the Capture of America’s Most Notorious Domestic Terrorist* by Liz Wiehl

#### 1619 Project on Zoom

Thursday, 6:30 p.m.

The 1619 Project is an initiative by *The New York Times* that re-examines the history, and lasting influence, of American slavery on our society. Join us as we continue to discuss how the legacy of slavery remains the dominant factor of American political, cultural, and social spheres. ## THE **EARLY** YEARS

Family Connections of Northeast Ohio offers early literacy, parenting support and school readiness programs for families with young children, ages birth to 6, at various locations throughout the community.

During the pandemic, they have been able to continue to offer many programs remotely and look forward to returning to in-person programming as soon as the conditions are deemed safe and appropriate.

Their programs are designed to offer parents a variety of opportunities to enhance their parenting experience, build their confidence as parents, play with their kids and provide resources for them to become the parents they strive to be. Play is the best way for children to learn, grow, and develop all of the important early skills.

**Music with Marisa:** Join from your living room for a free, interactive music program. Marisa plays the ukulele, engages the children, and includes rhythm, tone and other musicality features in a fun and engaging session. Call for days and times, visit their website or join via Zoom by registering here:

**[www.eventbrite.com/e/music-with-marisa-registration-103955678232](http://www.eventbrite.com/e/music-with-marisa-registration-103955678232)**. Like Family Connections on Facebook to join via Facebook.

**Baby & Me:** Join on Wednesdays at 10:00am from your living room for a free interactive session for families with babies ages birth to 12 months. Parenting can be very isolating – especially during a pandemic. Join via Zoom as the joys and

frustrations of parenting are shared. The sessions include lively and informative discussions around sleep, feeding and other developmentally appropriate questions. For more information or to register email

**[ebarrett@familyconnections1.org](mailto:ebarrett@familyconnections1.org)**.

**Parenting Classes:** An eight-week series of parent education sessions offered twice yearly.

**Parent Café:** Free parent/caregiver-led conversations about the joys and challenges of raising children and sharing ways to strengthen our families. Contact Family Connections for opportunities to participate or to collaborate as a partner. (Collaborative partnerships may be held off site).

### Family Literacy Playroom

**Little Heights** is a free early literacy playroom designed to support the development of school readiness skills through interactive adult-child play. Call for new pandemic hours.

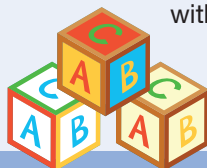

**Programs in CH-UH elementary schools and Cleveland Heights community:**

**Family School Connections:** Parent Coaches connect with families, involve and engage parents in the school community, and support parents with information and resources to help promote their children's literacy development and school success. Parent Coaches work with the parents and caregivers of kindergarten students who need additional literacy support. Parents are given activities and strategies to strengthen their child's success in school. Parent Coaches provide materials, books and games designed to be used at home. The staff provides home

visits twice a month to assist the parent and child with academic support and share with the parent the learning areas specific to their child that need strengthening. Parent Coaches also assist with any immediate needs such as food and housing insecurity by connecting families with resources. The social-emotional needs of the parent and child are also addressed.

**SPARK** (Supporting Partnerships to Assure Ready Kids): A free kindergarten readiness program designed for families with preschoolers. Monthly home visits with a SPARK parent partner will bring fun literacy games, activities and resources to ensure a smooth transition to kindergarten. Learn what to expect in kindergarten, gather ideas for learning at home, etc. Family Connections is a proud provider of SPARK in partnership with Heights Libraries and CH-UH schools.

#### **Classes and Workshops for Writers**

Whether you're a beginning writer, a seasoned author or somewhere in between, you can find fascinating classes, workshops and presentations by connecting with Literary Cleveland. Our classes cover all types of writing genres (fiction, non-fiction, memoir, poetry, etc.) as well as the business of writing (finding an agent, getting published). Our classes are scheduled at multiple venues around greater Cleveland at various days and times, all year long.

#### **Programs for Readers**

If you love reading and would like to do a deeper dive into the works of a particular author or a certain topic, check out our Reader Series. These three-session classes cover three books--either by a particular writer or by different writers exploring a specific topic. It's like a book club on steroids, and it is a wonderfully immersive experience.
