

CLEVELAND HEIGHTS

COUNCIL UPDATE

September 3, 2021

MEETINGS & REMINDERS

Monday, September 6	Labor Day City Hall and Community Center Closed
Wednesday, September 8	7:00 p.m. Planning Commission City Hall – Council Chambers
Thursday, September 9	7:00 p.m. Architectural Board of Review City Hall – Council Chambers
	7:00 p.m. Citizens Advisory Committee City Hall – Executive Conference Room

CITY MANAGER’S REPORT

There is no paper packet this week. This report sent to you will also be posted online.

Planning & Development:

The Planning and Development Committee meeting on Wednesday was a discussion on the Cedar Lee project with good comments from those in attendance. Staff, merchants, residents and Council are all ready to move forward on this much needed and exciting project for the future of our City.

Sign Regulations:

An email is going out to candidates reminding them that no political signs should be on city owned property (including vacant lots), on tree lawns, or the medians.

Reminder:

Due to Rosh Hashanah, there is no Council meeting next week. Therefore, September 13th will be a regularly scheduled meeting with legislation and a Committee of the Whole before. Next week a full packet will go out on Wednesday September 8th.

Heights Music Hop:

Staff met with Future Heights staff regarding logistics for the annual Music Hop on Saturday September 18th at Cedar Lee.

Block parties this weekend

- Saturday, September 4:
 - **Stillman Rd. 10:00 am – Dark (Barricades dropped at 2208 Stillman);**

Memo

To: Susanna Neirmann-O'Niel, City Manager
From: Collette Clinkscale, Director of Public Works
Date: August 31, 2021
Re: Public Works Weekly Update

#20-06 – Delamere Drive Basement Flooding Relief

Paving work has been completed. Landscaping, final clean-up, and punch list work will be addressed in the next two weeks.

#21-01 – Shannon Road Resurfacing & Waterline Replacement

Intermediate paving has been completed, and Terrace is working on manhole and catch basin adjustments, ADA curb ramps, and spot curb replacement.

#21-02 – 2021 Street Resurfacing & ADA Curb Ramp Replacement Program

Work continues on the ADA curb ramp replacements, and surface course paving is tentatively scheduled to be completed (weather permitting) sometime during the week of September 6th.

#21-03 – 2021 Surface Treating Program

Partial depth pavement repairs, and sheet asphalt work have been completed. We anticipate the final chip seal application to be applied in the next week or two.

Street Maintenance Division

Street maintenance crews are out in full force this week hauling yard waste from Noble Road and leaf grindings from Lakeview Cemetery, repairing Cleveland Water cut-outs, and pot-hole patching and asphaltting.

Forestry Division

Forestry crews are out performing tree pruning and removals.

Refuse & Recycling

The week of SEPTEMBER 6th will be bulk collection week. Bulk collection week is the first “full” week of the month (Monday-Friday (Saturday in the event of a holiday as will be the case during the week of the 6th). Each resident can place up to four bulk items out for collection on their regularly scheduled collection day. Additional bulk items and non-bulk day pick-ups can be scheduled for a fee of \$10/item by using the following link below.

www.clevelandheights.com/bulkbrushrequest

Refuse Automation

We have been working closely with staff from the Recycling Partnership to prepare a public education program. The half page advertisement below will be featured in the upcoming edition of the FOCUS magazine. A similar notification will be mailed to all residents a few weeks prior to the carts being delivered.

Carts are Coming

Delivery begins the week of November 15th

Automated Collection is expected to commence citywide beginning the week of DECEMBER 13th.*

The new refuse & recycling carts will have two wheels, large handles, and weather resistant lids to help make recycling easier and keep our streets clean.

TO LEARN MORE VISIT:
www.clevelandheights.com/Refuse-Recycling-Carts

*Commencement date could change slightly based on equipment delivery dates.

We have been working very closely with all the equipment vendors to ensure that equipment is on track (as much as possible) to be delivered according to schedule. We recently received the three much needed new Freightliner semi-tractors this week for the transfer station.
